Interests & Experiences

Experience: A resume, or additional sheets, may be attached containing any information that would be helpful to the Board in evaluating your application.

Education/Employment Experience

I am a sophomore in high school. I am enrolled in 2 AP classes and 1 Honors. As a student I have consistently been on honor roll and maintained a 4.0 GPA or higher. I have worked at my family's business, Yuba Blue for 3 years. I work during the summer and Christmas seasons and pick up shifts on weekends when needed. I have learned how to be on the sales floor, help customers, work a register, and gift wrap. I have also worked in our back office, where we process orders, go through invoices and merchandise the products. As a "side hustle" I have created a jewelry making business; I started this in 7th grade as a hobby and it has continued to progress. I source the raw materials, make the jewelry and market/sell it. I am currently serving as a 7th grade middle school assistant volleyball coach at Grass Starter School. This has taught me to problem solve and inspire young minds to grow and learn.

Community Experience and Affiliations

I was a girl scout up until high school and volunteered for various community groups with my troop; often working with the Vets Hall or doing local events like stacking fire wood for the elderly. In school I am part of the National Honors Society and California Scholarship Federation with these programs we volunteer for various programs and projects throughout the community.

List any other County boards, commissions, or committees on which you have served:

none

Other experience you feel would be helpful to the Board of Supervisors in making this appointment:

I have been fortunate enough to travel with my family to 16 countries, whether they were developed or developing. Throughout these opportunities I have learned about other cultures and customs. This has given me a boarder perspective to view our world and community.
