Interests & Experiences

Experience: A resume, or additional sheets, may be attached containing any information that would be helpful to the Board in evaluating your application.

Education/Employment Experience

I am currently a sophomore at Nevada Union High School. I do not have my drivers license yet so it was hard for me to have a job because I was so busy with involvement in other things. However, I did work briefly at J. Bruers Clothing during the holiday season for about three months. I am currently trying to apply for a summer job locally or an internship for Junior year.

Community Experience and Affiliations

I am an active member of Girl Scouts, FFA, and Interact Club at my school. Through these organizations, I have a lot of experience doing community service with Bear Yuba Land Trust, South Yuba River Cleanup, American Legion, and the VFW. My mother also was employed by the county for many years and I am in line to do an internship through one of my agriculture classes next year and with the help of Jeff Dellis.

List any other County boards, commissions, or committees on which you have served:

Other experience you feel would be helpful to the Board of Supervisors in making this appointment:

I am also currently on student council as an ASB Commisioner and I just overall love being involved in things that I know are actively making a difference
