Interests & Experiences

Experience: A resume, or additional sheets, may be attached containing any information that would be helpful to the Board in evaluating your application.

Education/Employment Experience

I have been employed as a Soccer Referee for 4 years. I will be a Senior attending Ghidotti Early College High school by the time my term begins.

Community Experience and Affiliations

I volunteered at Hospice Gift and Thrift as a cashier during my freshman year of high school. For the past three years, I have also been actively involved with Lyman Gilmore's Musical Theater program, assisting with backstage management, set building for Seussical the Musical, and serving on the audition panel for Aladdin Jr. this year. In addition, I have participated in various volunteer opportunities through my school's Key Club chapter. Last year, I had the opportunity to serve as a camp counselor at Shady Creek, mentoring sixth-grade students from Lyman Gilmore for a week. Currently, I also work as a Marketing Intern at KNCO.

List any other County boards, commissions, or committees on which you have served:

I served on the Nevada County Youth Commission, specifically on the Recreation Subcommittee.

Other experience you feel would be helpful to the Board of Supervisors in making this appointment:

One experience I believe would be valuable to the Board of Supervisors in considering this appointment is my involvement with Future Business Leaders of America (FBLA). I currently serve as President of my school's FBLA chapter, where I have had the opportunity to lead, organize, and grow our team. I recently earned first place in Sales Presentation and second place in Public Speaking at the regional level, both of which qualified me to compete at the state level. In fact, I am writing this from my hotel room in Anaheim, where I am currently attending the FBLA State Leadership Conference. This experience has strengthened my public speaking, leadership, and collaboration skills, all of which I would bring to this role.
