MEMORANDUM

TO: Board of Supervisors **DATE: August 24, 2018**

FROM: **Mike Dent**
Child Support Services Director

SUBJECT: Adult and Family Services Commission Membership

CC: Michael Heggarty
Health & Human Services Agency Director

The purpose of the Adult and Family Services Commission (AFSC) is to represent the community to the Board of Supervisors on issues regarding health and human services and the interests of all residents of Nevada County. I believe Ana Acton and Janeth Marroletti will expand the breadth of knowledge and expertise of the commission and add value to the commission.

Ms. Acton's professional experience includes over 8 years as the Executive Director of FREED and over 14 years of experience in providing direct services and leadership for independent living community based services in California. Ms. Acton is the Chair of the California Foundation for Independent Living Centers and the California Association of Traumatic Brain Injury and was recently on the board of the North San Juan Community Center.

Ms. Marroletti's experience includes over 15 years of community experience working on behalf of seniors. Ms. Marroletti has a Masters' in public health and was a past board member for the California Association of Senior Centers, CalOptima Health Care Plan in Orange County, and the Senior Citizens Commission under the Orange County Board of Supervisors.

The AFSC recommends the ratification of the election of Ms. Ana Acton and Ms. Janeth Marroletti to fill two vacancies in the low income sector of the Commission. In accordance with the Commission's bylaws, motions were made and accepted by the Commission on August 14, 2018.

Thank you for your consideration.
