

**NEVADA COUNTY
SHERIFF'S OFFICE**

SHANNAN MOON
SHERIFF / CORONER
PUBLIC ADMINISTRATOR

NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo

MEETING DATE: October 14, 2025

TO: Board of Supervisors

FROM: Shannan Moon, Sheriff-Coroner-Public Administrator

SUBJECT: Resolution accepting the Byrne State Crisis Intervention Program (SCIP) Cohort 2 Grant from the Board of State and Community Corrections (BSCC) in the amount of \$660,489.00 that will be used to partially fund the Co-Responder Mobile Crisis Teams for the period beginning August 1, 2025 through September 30, 2027 and authorizing the Sheriff to sign the award documents.

RECOMMENDATION: Adopt Resolution

FUNDING: Funding in the amount of \$660,489.00 from the Federal Government is for Fiscal Year 2025/26 and Fiscal Year 2026/27 and impacts the Sheriff's Office Operation's Budget. Funding was included in the Sheriff Operations budget for Fiscal Year 2025/26.

BACKGROUND: The Sheriff's Office has received notice that Board of State and Community Corrections (BSCC) Board has awarded Nevada County a Byrne State Crisis Intervention Program (SCIP) Cohort 2 Grant. These grant monies will be used to partially fund two Co-Responder Mobile Crisis Teams (MCT) in Fiscal Years 2025/26 and 2026/27. The funding will primarily support staffing costs for the mental health clinicians.

Nevada County Sheriff's Office dedicates two full time deputy sheriff positions to the two mobile crisis teams, whom are each partnered with a licensed mental health clinician contracted with Sierra Mental Wellness Group through Nevada County Behavioral Health. We have seen remarkable success with our co-responder model and this grant funding will allow the teams to continue the important and impactful work they are doing in Nevada County.

In 2024, our mobile crisis teams responded to approximately 350 calls for service, conducted 127 mental health evaluations, provided 657 services, made 249 referrals to treatment, and served over four hundred and fifty individuals in our community. The mobile crisis teams also performed 70 follow-up contacts for an increase of 192% from the previous year. In addition to our partnerships within the county government, our mobile crisis teams collaborate with other non-government organizations and non-profits, such as the National Alliance on Mental Illness (NAMI), and the Forensic Task Force on Mental Illness.

Initiated and Approved by: Shannan Moon
