AB 1X 26 requires that each redevelopment agency be dissolved unless the community that created it enacts an ordinance committing it to making certain payments effective February 1, 2012 per the Supreme Court's final decision in upholding the legislation. AB 1X 26 provides that successor agencies be designated as successor entities to the former redevelopment agencies and provides that with certain exceptions all authority, rights, powers, duties and obligations previously vested with the former redevelopment agencies under the California Redevelopment Law (CRL) are vested in the successor agencies. On January 19, 2012 the Truckee Town Council adopted Resolution 2012-05 electing to serve as the successor agency to the former Redevelopment Agency. AB 1X 26 further provides that the successor agency activities are subject to review and approval by an Oversight Board which shall be created for each dissolved redevelopment agency.

Health and Safety Code section 34179(a) provides that the Oversight Board is to be comprised of seven members appointed by affected local taxing entities and the community that established the redevelopment agency, including "one member appointed by the Board of Supervisors" and "one member of the public appointed by the County Board of Supervisors." Members appointed by resolution and serve at the pleasure of the Board of Supervisors.
