Subject: County Drone Usage
Date: Friday, August 6, 2021 7:35:13 AM

CAUTION This email originated from outside of County of Nevada email system. Do not click links or open attachments unless you recognize the sender and know the content is safe.

We live [REDACTED] in Alta Sierra.

There are properties in our neighborhood that are growing cannabis illegally, but the grow areas are not accessible for photography from an adjacent property. If the county would utilize drones in the capture of photographic evidence, many of these illegal cannabis grows could be cited. Please explore the usage of drones in your cannabis investigations.

Thank you for considering our request.
