Terms

Each term of this Contract below specifically incorporates the information set forth in the Summary at page one (1) above as to each respective section (§) therein, as the case may be.

Services

1. **Scope of Services:**

Contractor shall provide all of the services, materials and products (herein "Services") generally described in **Exhibit "A"**, according to a performance schedule, if applicable, as set forth in said exhibit (herein "Performance Schedule"). If requested, Contractor agrees to serve as an expert witness for County in any third party action or proceeding arising out of this Contract.

Payment

2. **Charges and Payments:**

The charges (herein "Charges") for furnishing the aforesaid Services under this Contract are set forth in **Exhibit "B"**, including, if applicable, hourly rates, unit pricing, and expense, mileage and cost limits. Said Charges shall be presented monthly by invoice, and shall be due within thirty (30) days of receipt of said invoice unless payment is otherwise set forth in said **Exhibit "B"**, and shall remain in effect for the entire term of this Contract, and any extension hereof. In no event will the cost to County for Services to be provided under this Contract, including direct non-salary expenses, exceed the **Maximum Contract Price** set forth at §2, page one (1), of this Contract. If a Catalog of Federal Domestic Assistance ("CFDA") number is designated at §33, page one (1), of this Contract, then all components of compensation billed to County shall be calculated in accordance with Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 CFR Chapter I, Chapter II, Part 200, et al (commonly referred to as the "OMB Super Circular" or "Uniform Guidance").

Time for Performance

3. **Contract Term:**

This Contract shall commence on the **Contract Beginning Date** set forth at §3, page one (1), of this contract. All Services required to be provided by this Contract shall be completed and ready for acceptance no later than the **Contract Termination Date** set forth at §3, page one (1), of this Contract.

4. **Liquidated Damages:**

County and Contractor agree that damages to County due to delays in timely providing Services in accordance with the aforesaid Performance Schedule and Contract Termination Date are impractical and difficult to ascertain. Therefore, if §4 at page one (1) hereof shall indicate a daily amount as **Liquidated Damages**, County shall have the right to assess said daily sum, not as a penalty, but as and for damages to County due to delays in providing Services not in accordance with the said Performance Schedule, or later than the Contract Termination Date (herein "Delay"). Liquidated Damages shall be offset against amounts owing to Contractor, including retention sums.

To the extent that any Delay is a result of matters or circumstances wholly beyond the control of Contractor, County may excuse said Liquidated Damages; provided however, that County may condition such excuse upon Contractor having given prompt notice to County of such delay immediately by telephone and thereafter by written explanation within a reasonable time. The time for Contractor's performance shall be extended by the period of delay, or such other period as County may elect.

5. **Time of the Essence:**

Time is of the essence with respect to Contractor's performance under this Contract. Delay in meeting the time commitments contemplated herein will result in the assessment of liquidated damages, if indicated at §4 at page one (1), hereof. If Liquidated Damages are not so indicated, damages shall be as otherwise provided by law.

Insurance

6. **Commercial General Liability Insurance:** (County Resolution Nos. 90-674, 02-439)

If §6 at page one (1) hereof shall indicate a **Commercial General Liability** insurance policy is required, Contractor shall promptly provide proof of such insurance evidenced by a certificate of insurance with properly executed endorsements attached, which insurance shall include the following:

- (i) Broad form coverage for liability for death or bodily injury to a person or persons, and for property damage, combined single limit coverage, in the minimum amount indicated at said §6;
- (ii) An endorsement naming County as an additional insured under said policy, with respect to claims or suits arising from the Services provided or the relationships created under this Contract;
- (iii) A provision that said insurance shall be primary and non-contributory, that other insurance maintained by the County of Nevada shall be excess only and that neither the insured nor the insurer shall seek contribution from any other insurance or self-insurance available to County;
- (iv) A provision that said insurance shall provide for thirty (30) days written notice to County of any termination or change in coverage protection, or reduction in coverage limits (except ten (10) days notice for non-payment of premium).

7. Automobile Liability Insurance: (County Resolution No. 90-676)

If §7 at page one (1) hereof shall require either a Business Rated or a Commercial Automobile Liability insurance policy, for each vehicle used including non-owned and hired automobiles, Contractor shall promptly provide proof of such insurance evidenced by a certificate of insurance with properly executed endorsements attached, which insurance shall include the following provisions:

- (i) Liability protection for death or bodily injury to a person or persons, property damage, and uninsured and underinsured coverage, combined single limit coverage, in the minimum amount indicated at said §7;
- (ii) An endorsement naming County as an additional insured under said policy, with respect to claims or suits arising from the Services provided or the relationships created under this Contract;
- (iii) A provision that said insurance shall be primary and non-contributory, that other insurance maintained by the County of Nevada shall be excess only and that neither the insured nor the insurer shall seek contribution from any other insurance or self-insurance available to County;
- (iv) A provision that said insurance shall provide for thirty (30) days written notice to County of any termination or change in coverage protection, or reduction in coverage limits (except ten (10) days notice for non-payment of premium).

If §7 at page one (1) hereof shall require a Personal Auto policy, for each vehicle used including non-owned and hired automobiles, Contractor shall promptly provide proof of such insurance for a minimum of three hundred thousand dollars, (\$300,000), in combined single limits, and naming the County as additionally insured.

8. Workers' Compensation: (County Resolution No. 90-674)

If §8 at page one (1) hereof shall indicate a **Workers' Compensation** insurance policy is required, Contractor shall maintain said policy as required by law, and shall promptly provide proof of such insurance evidenced by a certificate of insurance, or other documentation acceptable to County. The Workers' Compensation insurer shall agree to waive all rights of subrogation against the County, its agents, officers, employees, and volunteers for losses arising from work performed by Contractor for the County.

Before commencing to utilize employees in providing Services under this Contract, Contractor warrants that it will comply with the provisions of the California Labor Code, requiring Contractor to be insured for workers' compensation liability or to undertake a program of self-insurance therefor.

9. Errors and Omissions:

If §9 at page one (1) hereof shall indicate **Errors and Omissions** insurance is required, Contractor shall maintain either a professional liability or errors & omissions policy in the minimum amount indicated, and shall promptly provide proof of such insurance evidenced by a certificate of insurance, or other documentation acceptable to County.

10. Miscellaneous Insurance Provisions: (County Resolution Nos. 90-674, 90-675)

All policies of insurance required by this Contract shall remain in full force and effect throughout the life of this Contract and shall be payable on a "per occurrence" basis unless County specifically consents to "claims made" coverage. If the County does consent to "claims made" coverage and if Contractor changes insurance carriers during the term of this Contract or any extensions hereof, then

Contractor shall carry prior acts coverage. The following additional conditions apply to "claims made" coverage: In order for the acts and omissions of Contractor and all its agents during the term of this Agreement to be "continually covered" there must be insurance coverage for the entire contract period commencing on the effective date of this Agreement and ending on the date that is three (3) years beyond the final date this Agreement is effective, including any extensions or renewals of this Agreement. Contractor acknowledges that the provision of this Section may necessitate the purchase of "tail insurance" if coverage lapses. The requirement to maintain tail insurance shall survive termination of this Agreement.

Insurance afforded by the additional insured endorsement shall apply as primary and non-contributory insurance, and neither the insured nor the insurer shall seek contribution from any other insurance or self-insurance maintained by County, its officers, agents and/or employees. Any insurance or self-insurance maintained by County, its officers, agents and/or employees shall be excess only and not contributing with insurance required or provided under this agreement.

At all times, Contractor shall keep and maintain in full force and effect throughout the duration of this Contract, policies of insurance required by this Contract which policies shall be issued by companies with a Best's Rating of B+ or higher (B+, B++, A-, A, A+ or A++), or a Best's Financial Performance Rating (FPR) of 6 or higher (6, 7, 8 or 9) according to the current Best's Key Rating Guide, or shall be issued by companies approved by the County Risk Manager. In the event the Best's Rating or Best's FPR shall fall below the rating required by this paragraph, Contractor shall be required to forthwith secure alternate policies which comply with the rating required by this paragraph, or be in material breach of this Contract.

Failure to provide and maintain the insurance policies (including Best's ratings), endorsements, or certificates of insurance required by this Contract shall constitute a material breach of this agreement (herein "Material Breach"); and, in addition to any other remedy available at law or otherwise, shall serve as a basis upon which County may elect to suspend payments hereunder, or terminate this Contract, or both. (See §13, ¶2, below, as these provisions additionally apply to subcontractors.)

11. Indemnity:

Nothing herein shall be construed as a limitation of Contractor's liability, and Contractor shall indemnify, defend and hold harmless the County and its officers, officials, employees, agents and volunteers from any and all liabilities, claims, demands, damages, losses and expenses (including, without limitation, defense costs and attorney fees of litigation) which result from the negligent act, willful misconduct, or error or omission of Contractor, except such loss or damage which was caused by the sole negligence or willful misconduct of County or its officers, officials, employees, agents and volunteers.

Personal Services

12. Contractor as Independent:

In providing services herein, Contractor, and the agents and employees thereof, shall act in an independent capacity and as an independent contractor and not as agents or employees of County. Contractor shall hold County harmless and indemnify County against any such claim by its agents or employees.

13. Assignment and Subcontracting:

Except as specifically provided herein, the rights, responsibilities, duties and Services to be performed under this Contract are personal to the Contractor and may not be transferred, subcontracted, or assigned without the prior written consent of County. Unless otherwise agreed in writing by the County's Risk Manager, Contractor shall cause and require each transferee, subcontractor and assignee to comply with the insurance provisions set forth herein at §§6, 7, 8, 9 and 10, in the same amounts and subject to the same terms as are required of Contractor under this Contract, unless otherwise provided by County's Risk Manager. Said insurance shall include all upstream parties (including the Contractor and the County) as additional insureds using a Blanket Additional Insured Endorsement (ISO form number CG 20 38 04 13) or coverage at least as broad. Contractor shall verify that all subcontractors provide a policy endorsement in compliance with this Paragraph and shall provide a copy of the same to County at least ten (10) working days prior to commencement of any work by subcontractor. Failure of Contractor to so cause and require such compliance by each transferee, subcontractor and assignee, or to timely provide County with a copy of the required policy endorsement, shall constitute a Material Breach of this agreement, and, in addition to any

other remedy available at law or otherwise, shall serve as a basis upon which County may elect to suspend payments hereunder, or terminate this Contract, or both.

14. Licensing and Permits:

Contractor warrants (i) Contractor is qualified and competent to provide all Services under this contract; (ii) Contractor and all employees of Contractor hold all necessary and appropriate licenses therefor, including those licenses set forth at §14, page one (1) hereof; and, (iii) Contractor shall obtain, and remain in compliance with, all permits necessary and appropriate to provide said Services. Contractor shall cause said licenses and permits to be maintained throughout the life of this Contract. SCHEDULE OF SERVICES
Nevada County Superintendent of Schools (NCSOS)

This agreement is entered into by and between the Nevada County Department of Social Services CalWORKs Program and the Nevada County Superintendent of Schools (NCSOS) (Safe Schools/Healthy Students Program) for the purpose of providing family support and self-sufficiency services in Western Nevada County.

PROGRAM OVERVIEW

CalWORKs services are funded by a State Single Allocation. The intent of the funds is to provide assistance to needy families so children can be cared for in their own homes; to reduce dependency by promoting job preparation, work, and positive interpersonal relationships; to prevent out-of-wedlock pregnancies; and to encourage the formation and maintenance of stable parental caretakers.

Established by AB 74, Family Stabilization (FS) is a new component of the CalWORKs program that provides intensive case management and services to eligible clients and is designed to ensure a basic level of stability within a family prior to, or concurrently with, participation in Welfare-to-Work (WTW) activities. CalWORKs recipients are eligible to participate in FS if a county determines that a family is experiencing an identified situation and/or crisis that is destabilizing the family and interferes with adult clients' ability to participate in WTW activities and services.

To qualify for Family Stabilization, the client, and/or members of the family, must be experiencing an identified situation or crisis that is destabilizing the family and interfering with successful participation in WTW activities and services. A situation or a crisis that is destabilizing the family may include, but is not limited to, homelessness or imminent risk of homelessness, legal problems, learning disabilities, a lack of safety due to domestic violence, or untreated or under treated behavioral needs, including mental health or substance abuse related needs. Eligibility may also be defined as "not making progress" in obtaining a job or holding steady employment due to a crisis situation in the family. Sanctioned clients will be encouraged to participate in FS services.

FS is funded through the Temporary Assistance for Needy Families block grant and therefore, may only be used for non-medical services. FS does not alter the extent of services that can be offered through the mental health and substance abuse allocations.

The CalWORKs Housing Support Program (HSP) is a new funding source designed to provide housing and rental assistance to CalWORKs families who are experiencing homelessness. Nevada County submitted a proposal to the California Department of Social Services in July 2015 and after a competitive selection process was notified of successful selection in September. The HSP provides funding to help up to forty (40) homeless CalWORKs families to establish permanent housing through rental assistance. Nevada County will implement this new program as an extension of the successful Family Stabilization partnership with the Family Resource Centers (FRCs).

FRC Case Managers will assist the CalWORKs clients to secure appropriate housing based on location, family size, safety and other relevant factors. The FRC Case Managers will assist clients to identify units that meet the needs of each family for safe and adequate housing, and will assist clients to communicate with potential landlords and to complete rental applications. They will work with the clients to identify potential housing barriers (move-in costs, legal, debt, criminal record issues) and assist to remove these barriers through Family Stabilization. They will assist the client in completing the Tenant Based Rental Assistance application and will schedule the housing unit inspection for both programs.

Each case manager will work with each client upfront to develop a realistic budget and plan for transitioning off of HSP assistance within the prescribed timeframe. They will assist the client to complete a lease agreement which may include an addendum that describes the length and amount of rental subsidy that will be paid by the Housing Support Program. The CalWORKs Program Manager will review and approve each HSP funding request prior to finalizing agreements with landlords. The Superintendent of Schools Office will then issue the payments, on behalf of the approved recipients, directly to the landlords of the rented units for the duration of the agreement. The rental subsidy amount and duration will be determined on a case by case basis, considering the family's unique situation, with the CalWORKs Program Manager having final approval. We anticipate each subsidy to range from one to six months, but may be extended on a case by case basis, with approval from the CalWORKs Program Manager. The duration of each service will be determined by considering all factors, including but not limited to, the parents' employability, substance abuse or domestic violence issues in the household, and potential health and disability issues.

After the housing support ends, the family will still be eligible for Family Stabilization (FS) services for up to six additional months if needed. The FS Case Managers can assist the landlord and tenant with minor disputes or may make a referral to mediation services. The E&T, FS Case Manager and Employment Specialist assigned to each client will work together to ensure the best possible outcome for each family.

In the past several years, the Department of Social Services has had great success in coordinating with local Family Resource Centers to provide health and human services to Nevada County families. Each Family Resource Center is closely identified with members of their community and is able to provide a full array of services to support families and children. All of our Nevada County FRCs improves outcomes for families in our community by creating a physical space and a coordination system for service delivery and resource connection. FRCs leverage community resources to provide an extensive, coordinated array of services, activities, and learning opportunities for children, parents, caregivers, and families. Family advocates provide on-site services to students and families accessing the center, including resource and referral, information, and informal support, with the goal of increasing self-sufficiency.

In addition to Family Stabilization, CalWORKs provides an array of supportive services to WTW participants to assist in the removal of barriers that may impede their successful participation in WTW activities including: child care, transportation, food, homeless/shelter assistance, and domestic abuse, mental health, and substance abuse services. The FS Program offers intensive case management that encompasses the whole family unit. With more intensive

and specialized services, it is expected that families served under the FS Program will be able to move more quickly into the workforce.

Contractor agrees to provide the following services:

- Work with the client to develop a customized Family Stabilization Plan that identifies and plans to resolve the family's immediate need/crisis as well as identified longer term goals and help the client to tie the two together. Developing the plan may also include direct communication and/or coordination with other case managers or service providers involved in the client's life to ensure consistency and cohesion in the family's goals and activities to reach those goals.

- Make payments on behalf of clients to various payees, including monthly rental payments to property owners/managers, as approved by the CalWORKs Program Manager.

- Maintain frequent and supportive contact with each family, ranging from weekly to monthly, depending on the level of need and the progress the family is making in the FS program. Contact will be completed via phone, office visit, and home/site visit as appropriate until the FS crisis is resolved and/or the case is referred back to the CalWORKs Employment Services staff.
- Act as an advocate or liaison between the CalWORKs client and housing resources including property managers, landlords, etc. to assist families to identify and secure appropriate permanent housing.

- Make every effort to engage families who are not making adequate progress.
- Recommend to CalWORKs Employment Services staff necessary changes to the FS Plan to improve the family's success in meeting their FS goals.
- If a client is not complying with their FS plan or making progress towards FS plan goals, make a minimum of three attempts to resolve participation issues. After exhausting attempts to assist non-complying clients, including at least one home visit, inform CalWORKs Employment Services staff of client's non-compliance.

- Meet with CalWORKs Employment Services staff monthly to review attendance records and progress reports for each FS family.
- Update outreach materials of available county and community services available to FS families.

FS services are intended to be short-term; therefore, when a client continues to need FS services after 120 days, extending the FS Plan will require approval from the CalWORKs Program Manager.

Family Stabilization Funding Requests on behalf of clients can be made for the following interventions. All Funding Requests must be approved by the CalWORKs program manager prior to authorizing payment.

- Treatment for family members, if the situation interferes with client's ability to participate in WTW activities and treatment is not covered by Medi-Cal.
- Intensive day treatment, non-medical outpatient drug free treatment, and residential treatment not covered by MediCal or other available funding sources.

- Housing related needs including emergency shelter, costs related to maintaining or acquiring transitional or permanent housing.
- Court fees or debts that are affecting the client's ability to obtain stable housing or participate in WTW activities.
- Legal issues related to criminal record expunction.
- Other upon request

HSP funding requests may be made on behalf of CalWORKs families that meet the Housing Support Program criteria as follows:

- The family is currently homeless per CDSS definition
- The rental unit may be legally occupied (no illegal units)
- The rental unit is determined to be safe and appropriate by HSC/FRC staff.
- The funding request may combine TBRA (security deposit assistance) and HSP (rental assistance) for up to 6 months. A household budget and plan must be submitted along with the funding request to show how the family plans to take over rental payments after the approved timeframe ends.
- A request to extend the rental assistance may be submitted if the family's circumstances change and further assistance is determined to be warranted.

The maximum rental subsidy to each household will be based on the median price for the housing unit, sized appropriately for the family, based on the table below.

# of Bedrooms	1	2	3
Median Cost	\$780	\$1,138	\$1,553
<small>Based on US Census 2011-2015 5-year estimates</small>			

The duration of each rental subsidy will be determined on a case by case basis, dependent upon the family's needs and level of barriers. We anticipate the average duration to be 6 months.

Families receiving rental assistance will be strongly encouraged to save a pre-determined amount of money each month as part of their budgeting and planning goals, may be required to contribute a pre-determined amount toward their rental payment, and they may be required to participate in either family stabilization or employment related activities as identified in a Family Stabilization Plan or Welfare to Work Plan, as agreed upon and signed by the client. In order to preserve the reputation of the program and to maintain good will with the landlords, clients who fail to meet requirements will be offered more intensive case management, the Housing Stabilization Program will not stop contracted rental payments during the agreed time period.

The following issues are not funded through Family Stabilization and should be referred to the client's Employment and Training Worker for assistance:
