BEHAVIORAL HEALTH DEPARTMENT

NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo

MEETING DATE: May 12, 2026

TO: Board of Supervisors

FROM: Cari Yardley, Acting Behavioral Health Director

SUBJECT: Resolution approving a zero-cost contract between the County and the Department of Health Care Services for the county to continue to utilize vehicles purchased with Behavioral Health Continuum Infrastructure Program (BHCIP) funds after the end of the grant. The contract has a term of July 1, 2025 through June 30, 2031.

RECOMMENDATION: Approve the attached Resolution.

FUNDING: This is a zero-cost agreement.

BACKGROUND: In 2022, Nevada County Behavioral Health was awarded funding from the Department of Health Care Services (DHCS) Crisis Care Mobile Units (CCMU) Grant, a component of the Behavioral Health Continuum Infrastructure Program (BHCIP) (RES 22-208). DHCS contracted with Advocates for Human Potential, Inc. (AHP) for CCMU grant administration. The DHCS Crisis Care Mobile Units (CCMU) program provided funding for California county, city, or tribal entity behavioral health authorities to implement new and enhanced crisis care mobile units. Nevada County utilized this funding, in part, to purchase vehicles with upgrades for the delivery of mobile crisis services in Nevada County through mobile crisis teams.

The grant and contract term for CMMU funding ended June 30, 2025. Following the end of the contract term, the DHCS has required grant recipients to enter into a zero-cost vehicle use agreement in order to maintain possession of the equipment purchased with grant funds.

It is recommended that the Board approve this contract as it allows Nevada County Mobile Crisis Teams to maintain possession and continue use of vehicles currently being utilized for the delivery of mobile crisis services.

Approved by: Cari Yardley, Acting Behavioral Health Director
