PO Box 911  
Marysville, CA 95901

Dear Mr. Benipal,

The County of Nevada has submitted an encroachment permit to improve the intersection of Woodridge Drive and State Route 49. A portion of Woodridge Drive is currently in State Right-of-Way and appears unnecessary for the functions of the highway. Therefore, it is requested that this portion of Woodridge Drive be relinquished to the County of Nevada.

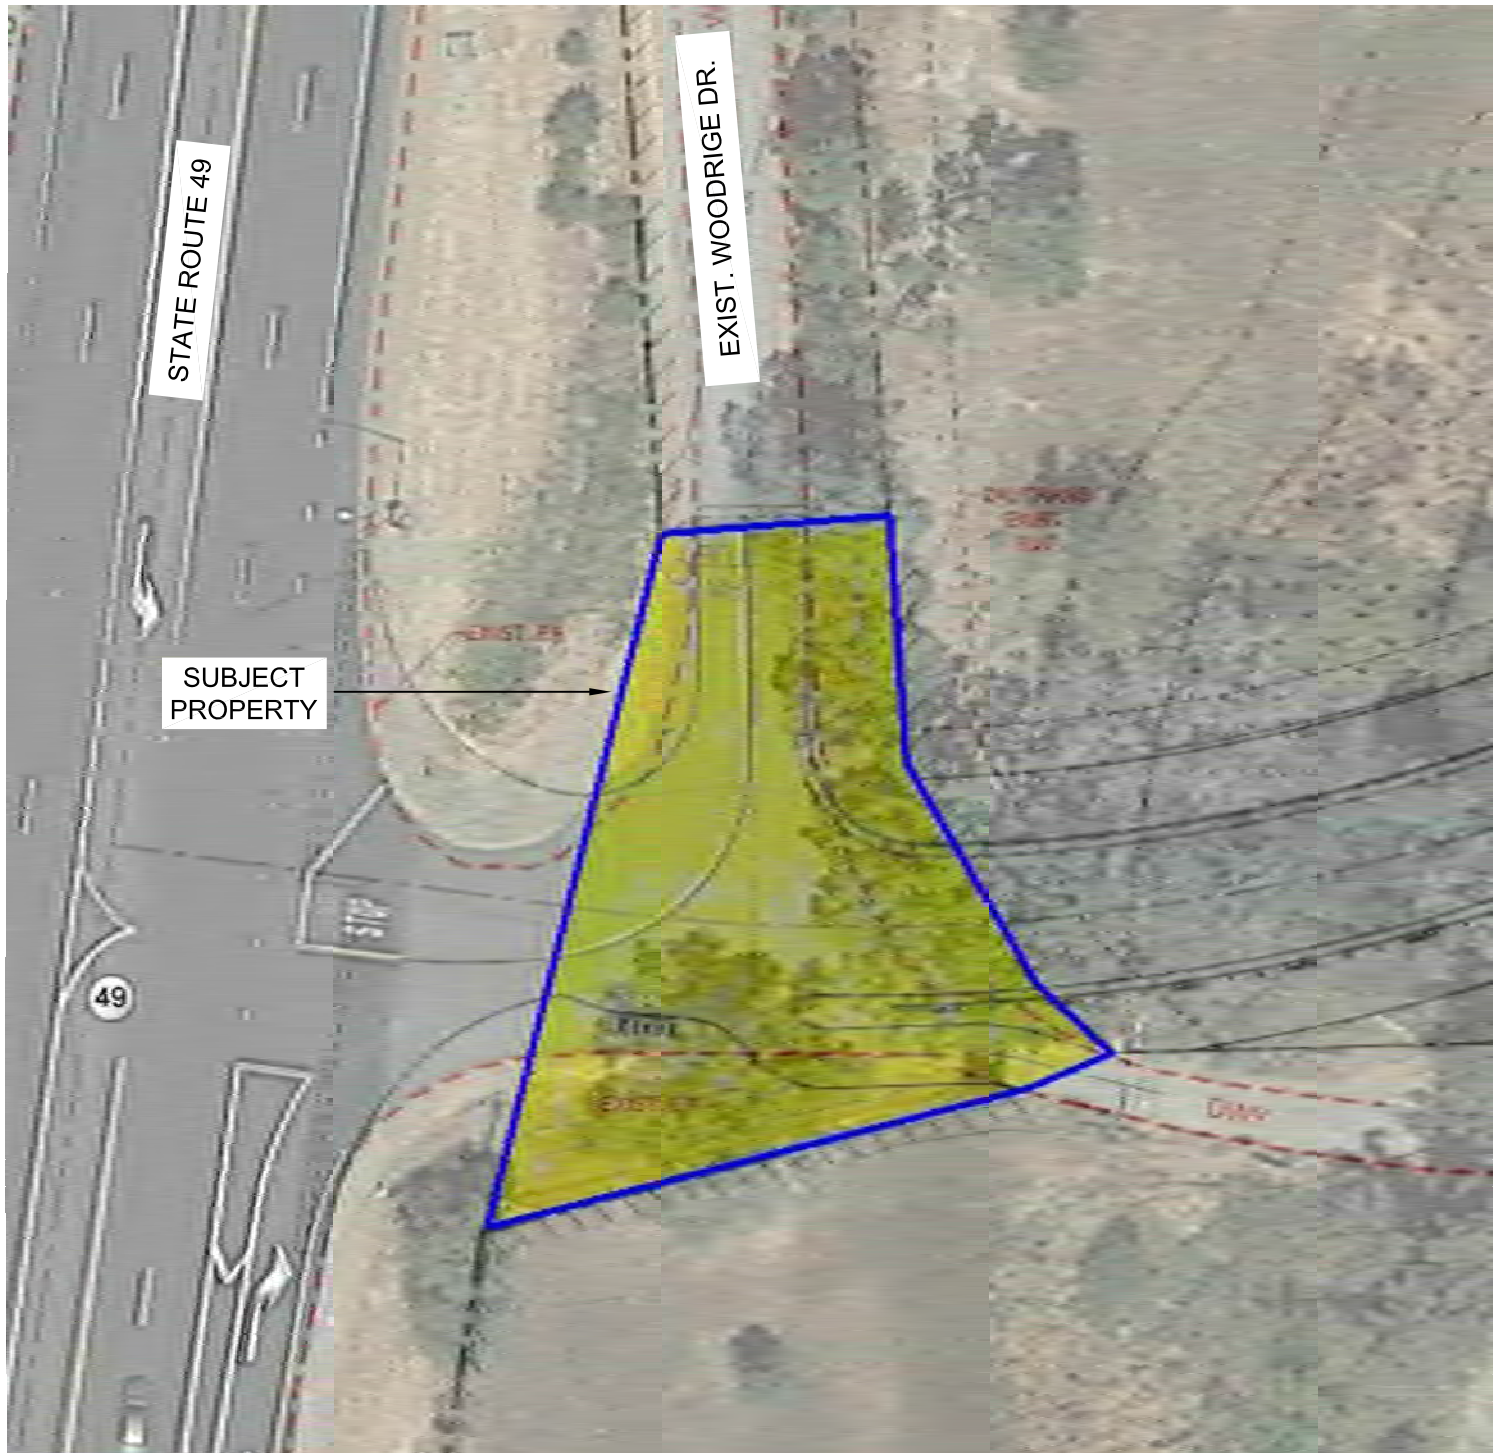

It is my understanding that to help expedite the processing of this right-of-way relinquishment, you need confirmation that the County of Nevada is willing to accept the relinquishment. The purpose of this letter is to provide that confirmation.

The County understands that the property to be relinquished will be transferred with no compensation by either party. The attached exhibit identifies the property to be relinquished from the State to the County. The Board of Supervisors has reviewed the proposed relinquishment and has approved a resolution for the transfer. A copy of the resolution has been attached to this letter for your files.

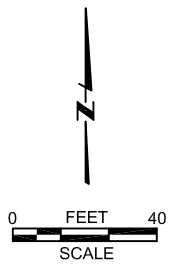

We appreciate all of the support and help your staff has provided to expedite this process. Please let us know if you have any additional requests.

Sincerely,

Trisha Tillotson  
Director of Public Works
