PREAMBLE

This MEMORANDUM OF UNDERSTANDING, hereinafter referred to as the Agreement, entered into by and between the COUNTY OF NEVADA, hereinafter referred to as the County, and the NEVADA COUNTY PROBATION PEACE OFFICERS ASSOCIATION, hereinafter referred to as the Association, has as its purpose the establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of rates of pay, hours of work, and other conditions of employment for employees' of the Association.

ARTICLE 1 RECOGNITION

A. RECOGNITION

The County recognizes the Association as the exclusive representative of those employees within the Nevada County Probation Peace Officers Association, for the purpose of meeting and conferring in good faith on matters within the scope of representation.

ARTICLE 2 ASSOCIATION RIGHTS

A. ACCESS TO EMPLOYEE WORK LOCATIONS

Reasonable access to work locations shall be provided to officers and representatives of the Association on employment relations' matters. Access shall be restricted so as not to interfere with official business or established safety or security requirements. Officers and representatives of the Association shall not enter a work location without the consent of the Department Head. Reasonable access to work locations will be revoked if this policy is violated.

B. DISTRIBUTION AND POSTING OF ASSOCIATION LITERATURE

The Association may at the discretion of the Employee Relations Officer be provided a reasonable amount of space for posting organization bulletins. Association representatives may post or distribute material provided such activities do not disrupt official business and provided this material does not contain information inconsistent, incompatible, in conflict with or inimical to the interest of Nevada County or its officers or its employees. Material found to contain information prohibited will not be posted or allowed to be distributed. During assigned working hours employees shall not conduct or

participate in Association business affairs, including but not limited to dues collection, meetings, and membership campaigns.

C. USE OF COUNTY FACILITIES

1. Any authorized representatives of the Association shall be permitted to conduct employee meetings on matters within the scope of representation in County facilities before and after shifts and during meal periods, providing that reasonable notice be given to the Department Head or designee in advance and facilities are reserved on the same basis as required of other organizations.
2. The use of County equipment other than items normally used in the conduct of business meetings, such as desks, chairs, and blackboards, is strictly prohibited.

D. MEMBERSHIP DUES

1. The Association shall have the right to have membership dues deducted by the County on payroll deduction for all employees covered by this Agreement, in accordance with the procedures prescribed by the Board of Supervisors.
2. The employee's earnings must be regularly sufficient after other legal and required deductions are made to cover the amount of the dues authorized. When a member in good standing of the formally recognized employee organization is in a non-pay status for an entire pay period, no dues withholding will be made to cover that pay period from future earnings nor will the member deposit the amount with the County which would have been withheld if the member had been in a pay status during the period. In the case of an employee who is in a non-pay status during only part of the pay period and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other legally required deductions have priority over employee organization dues.
3. Each employee covered by this Agreement shall maintain his/her membership in the Association as specified by the Association bylaws.
4. Dues deduction shall be terminated by the Auditor-Controller upon notification by the Association to the Human Resources Director .
5. The dues deduction privilege may be suspended by the County upon the occurrence of any strike, work stoppage, slow down or other job action which is sanctioned or encouraged by the Association or its officers or representatives. Such suspension may continue only for the duration of the job action.
6. The authorization for payroll deductions described in this agreement shall specifically require the employee to agree to hold the County harmless from all claims, demands, suits or other forms of liability that may arise against the County for or on account of any deduction made from the wages of such employee.

The Association shall defend, indemnify and hold the County harmless against any and all claims, demands, suits, orders, judgments or other forms of liability that shall arise out of or by reason of, action taken or not taken by the County under this Agreement. This includes not only the County's reasonable attorney fees and costs but the reasonable cost of management preparation time as well. The County shall notify the Association of such costs on a case-by-case basis.

E. TIME OFF TO MEET AND CONFER

Employees representing the Association shall have a reasonable amount of time off without loss of compensation to attend formal meet and confer sessions. In the absence of express authorization in advance by the Employee Relations Officer, not more than three County employees shall be entitled to attend meet and confer sessions without loss of compensation. County employees shall give reasonable advance notice thereof to their immediate supervisor and the Employee Relations Officer, but in no event shall such notice be given less than one full day or shift before the meeting; except, however, that the Employee Relations Officer may at his/her discretion waive this requirement for advance notice.

F. DISCRIMINATION

The County agrees not to discriminate against any employee for the employees' membership in, activity on behalf of or other means of lawful participation in the Association which are authorized and protected by statutory law, memorandum of understanding, County code or ordinance.

**ARTICLE 3
SALARIES**

A. REGULAR SALARIES

1. The County will provide a Recruitment and Retention General Adjustment increase of 3% to all regular employees effective in the first full pay period of July 2020.
2. The County will provide the following Recruitment and Retention General Adjustments effective the first full pay period of each fiscal year to eligible regular employees:
 - 2% effective 21/22
 - 2% effective 22/23
3. These adjustments only apply to regular bargaining unit employees.

**ARTICLE 4
OVERTIME**

A. WORK IN EXCESS OF FORTY HOURS PER WEEK

When work is required in excess of forty (40) hours during any workweek, the employee shall be compensated at one and one-half times the regular rate for all hours worked in excess of this amount. For purposes of application of this policy, a workweek is defined as that time interval occurring between any Saturday at midnight and the succeeding Saturday at midnight. Generally, overtime shall not accrue until an employee has exceeded forty (40) hours in a workweek as provided herein, irrespective of the number of hours worked on any single day, except as specifically provided below for work on a holiday or call back.

B. WORK ON A HOLIDAY

An employee required to work on a designated holiday shall be entitled to compensation at the rate of time and one-half in addition to the regular pay which the employee will receive for not working on that day pursuant to the holiday policy.

C. CALL BACK

An employee who is required to return to work on an overtime basis shall receive minimum of two hours compensation at the rate of time and one-half.

D. APPLICABLE TIME WORKED

For the purpose of computing the number of hours worked and eligibility for receipt of overtime compensation at time and one-half, the time during which an employee is excused from work because of holidays, sick leave, compensatory time off, or vacation shall be considered time worked by the employee.

E. OVERTIME COMPENSATION

Overtime worked pursuant to the above shall be compensated by:

1. Cash payment at one and one-half times the regular rate; or
2. Compensatory time off at the rate of time and one-half, in accordance with the following:
 - a. All overtime hours earned during any workweek shall be compensated by cash payment at one and one-half times the regular rate or by the granting of compensatory time off at time and one-half as determined by the department head;
 - b. Pursuant to this provision, the employee shall not accrue more than 80 hours of compensatory time off. Any employee who has accrued the herein specified

maximum amount of compensatory time off shall, for all additional overtime hours earned, be compensated by cash payment at one and one-half times the regular rate.

Each regular employee in the bargaining unit shall be able to accrue CTO at the department heads discretion. Employees may request to use CTO in the same manner as vacation leave. The time when CTO will be taken shall be determined by the department head who shall give consideration to factors of workload and the desires of the employees prior to making such determination. If an employee is nearing their maximum allowed accrual, the appointing authority may direct the person to take compensatory time.
2. If the appointing authority cannot schedule compensatory time off within the fiscal year in which the overtime or holiday was worked, the employee shall be paid the equivalent compensation at the end of the last full pay period within said fiscal year, except that an employee may, with department head approval, carry forward from one year to the next a maximum amount of 40 hours of compensatory time earned and unused as of the end of the last full pay period of each fiscal year. Authorization to exercise this option must be obtained from the department head and submitted to the Auditor-Controller no later than the first Monday following the last full pay period in the fiscal year. Upon submittal by an employee of proper justification, the County Executive Officer (CEO) may grant an exception to the herein stated limitation on the amount of time which may be carried forward and/or the herein stated date for compensatory time pay off. Such exceptions shall only be granted upon a finding by the CEO that the best interests of the County will be served. The CEO's decision in these matters shall be final and binding and shall not be subject to review by any county officer or administrative or legislative body.

**ARTICLE 5
SPECIAL ALLOWANCES**

A. TRUCKEE DIFFERENTIAL

Employees temporarily assigned to Truckee shall be provided a County vehicle for the purposes of traveling to Truckee and compensated for travel time from their regular work assignment location.

B. SHIFT DIFFERENTIAL

Employees who are required to work 50% or more of their regular work time between 6:00 P.M. and 6:00 A.M. shall receive a shift differential of 5% of base salary.

C. BILINGUAL PAY DIFFERENTIAL

1. For those employees identified by the Director of Human Resources which have assigned duties involving the regular use of bilingual skills, a differential of 5.0% of base pay shall be provided. Regular use shall be defined as using the skill a minimum of twenty percent (20%) or more in the course of the employee's assigned duties. Exceptions to this requirement will be reviewed by the Human Resources Director on a case by case basis and that determination shall be final.
2. Bilingual pay differential shall cease when the position is determined by the Human Resources Director to no longer require the bilingual skill or when the employee is assigned, transferred, promoted or demoted to a position not requiring the bilingual skill.
3. Requests to have positions considered for bilingual differential shall be submitted by the Department Head to the Human Resources Director, whose determination shall be final, and shall include:
 - a. Position proposed for designation;
 - b. Description of the bilingual duties being performed by each employee in sufficient detail to indicate the second language to be utilized, purpose, nature and frequency of use;
 - c. Location of work assignment.
4. Upon approval of the proposed designation, the Human Resources Department shall schedule the designated employee and/or applicants for bilingual examination.

D. STANDBY TIME/NON-EXEMPT EMPLOYEES

1. Standby time shall be compensated when an employee, outside his or her normal work assignment, must (1) remain where he or she can be contacted for immediate calls for service; and (2) be reached by telephone, beeper or other device; and (3) refrain from activities which might impair his or her ability to perform assigned duty; and (4) remain within a reasonable distance of the work location.
2. Fifteen (15) consecutive hours shall be the minimum standby duty assigned each employee during the regular work week unless the time of departure from work and

return to work is less than fifteen (15) hours or upon mutual agreement between the appointing authority or his/her designee and the affected employee for a shorter period of time.

3. Within that interval of time between the employee's last scheduled day of work immediately preceding his/her assigned days off until the employee returns to work on his/her regularly assigned day, twenty-four (24) hours shall be the minimum standby duty assigned each employee unless the time of departure from work and return to work is less than twenty-four (24) hours, or upon mutual agreement between the appointing authority or his/her designee and the affected employee for a shorter period of time.
4. Employees assigned to standby duty shall receive in addition to their regular biweekly salary, 15% of their hourly base pay rate for each hour of standby time required.

E. ACTING TEMPORARY PAY

1. If a regular employee is temporarily assigned to an acting position in a class with a higher salary range, the employee will not receive an increase for the first eighty (80) hours or ten (10) working days, whichever comes first, of the first acting assignment. Thereafter, the employee will be eligible to receive an increase of at least 7.5% of the employee's base pay for the remainder of the assignment. The employee will be eligible to receive the acting pay effective the first day of each subsequent acting assignment when working in the same acting position. In certain circumstances the County Executive Officer can approve a higher differential to meet the needs of the organization. The acting assignment will not cause a change to the employee's regular employee unit or benefits. Acting assignments will be no longer than nine months in duration, unless approved by the CEO. Upon termination of the acting assignment, the employee shall be restored to his/her regular position and salary including any merit increase earned. Acting assignments shall not affect any employee's salary anniversary date. If an acting position is offered to an employee from a different department, both department heads must approve the assignment.
2. This section does not apply to regular employees whose positions are designated to act in the absence of the department, division or section head for time periods not to exceed fifteen (15) working days or one-hundred-twenty (120) hours, whichever comes first, of time such as a vacation or off site in an official capacity or for those employees participating in training or quality teams.

**ARTICLE 6
LEAVES OF ABSENCE**

A. LEAVE WITHOUT PAY

1. In instances where the work will not be seriously handicapped by the temporary absence of an employee from a regular position, the County Human Resources Director may grant a leave of absence for a period not to exceed four (4) months upon request of the employee and approval of the Department Head. If the leave is denied by the Human Resources Director, the Department Head may request that the matter be decided by the County Executive Officer (CEO). Extension of the leave of absence or an initial request for a longer leave of absence may be considered upon application of the Department Head to the CEO. All requests for leaves of absence must be in writing and must establish reasonable justification for approval of the request. A leave of absence shall not be approved for an employee who is accepting employment outside of County service.
2. Any leave of absence without pay exceeding fifteen (15) calendar days shall cause the employee's salary anniversary date to be postponed a number of calendar months equal to the number of full calendar months or major portion thereof, for which the leave of absence was taken. Sick leave, vacation credits, and insurance benefits shall not accumulate during said leave of absence unless otherwise provided.
3. Failure of the employee to return to his/her former County position immediately following the expiration of leave may be cause for dismissal.

B. VACATION LEAVE

Effective July 2, 2017, vacation leave shall apply to all members of this Unit. Any member with PLP leave banks will have the opportunity to access their PLP leave accruals and reduce the leave bank, but the accumulation of PLP time will cease effective July 2, 2017.

1. Regular employees assigned to the normal forty (40) hour workweek shall accrue vacation leave at the rate of 6.6667 hours for each full calendar month of service during the first four (4) years of employment; at the rate of ten (10) hours for each full calendar month of service from the beginning of the fifth (5th) year through the twelfth (12th) year of employment; and at the rate of 13.3334 hours for each full calendar month of service in excess of twelve (12) years.
2. Employees of the County assigned to work weeks in excess of the regular forty (40) hours shall accumulate vacation leave at the equivalent to the above correlated to their regular weekly hours of work.
3. Part-time appointments to regularly authorized positions working fifty percent (50%) or more, on a monthly basis, shall accrue vacation on a pro rata basis.

4. Each regular County employee in the bargaining unit, regardless of “regular” or “probationary” status, shall be able to accrue and use vacation leave. The time when vacation shall be taken will be determined by the Department Head, who shall give consideration to factors of workload and the desires of the employees prior to making such determination and an employee with Department Head approval may:
 - a. An employee may accumulate up to, but no more than 284 hours of combined vacation credit at any given time during the fiscal year.
5. It shall be the responsibility of each Department Head to ensure that no employee involuntarily forfeits vacation leave accrual pursuant to application of this section, and he/she shall schedule vacation leave for each employee as necessary to comply herewith.
6. Vacation leave shall not accrue during any period of leave of absence in excess of fifteen (15) calendar days, with the exception of authorized temporary military leave of an employee who has been in the service of the County for a period of not less than one year, and who shall also accrue vacation leave for authorized temporary military leave beyond the fifteen (15) calendar days.
7. An employee who terminates or is terminated from the County shall be entitled to receive pay for earned vacation. In no case shall payment be for more than the two hundred and eighty-four (284) hours maximum accumulation allowed. In case of death, compensation for accrued vacation leave shall be paid in the same manner as salary due the decedent is paid. The Auditor shall compute such pay in accordance with the hourly rate conversion table contained in the County Salary Plan.

C. SICK LEAVE

Effective July 2, 2017 sick leave shall apply to all members of this Unit.

1. Sick leave with pay for regular employees assigned to the normal forty (40) hour work week shall accrue at the rate of eight (8) hours of sick leave for each full calendar month of service.
2. Employees of the County assigned to work weeks in excess of the regular forty (40) hours shall accumulate sick leave at the equivalent to the above, correlated to their regular weekly hours of work.
3. Part-time appointments to regularly authorized positions working fifty percent (50%) or more, on a monthly basis, shall accrue sick leave on a pro rata basis.
4. Each regular County employee shall accrue sick leave. Regular County employees shall be permitted to use such sick leave immediately until April 1, 2021. Thereafter, new employees shall not be permitted to use such sick leave during the first 90 days of service.

5. Upon retirement or termination with satisfactory performance after ten (10) years of service, each regular employee shall be paid twenty-five percent (25%) of the value of all unused, accrued sick leave. The value of such unused sick leave shall be determined by multiplying the total hours accumulated at the time of termination by the hourly wage rate of the range and step to which the employee is assigned.
6. County has adopted PERS Section 20965, Credit For Unused Sick Leave. It is understood that an employee who is otherwise eligible for the benefits described in this subsection or in subsection 5 above may select only one, which selection must be made timely and shall be irrevocable.
7. Sick leave shall not accrue during any period of leave of absence in excess of fifteen (15) calendar days with the exception of authorized temporary military leave of an employee who has been in the service of the County for a period of not less than one year, who shall also accrue sick leave for authorized temporary military leave beyond fifteen (15) calendar days.
8. No employee shall be entitled to receive sick leave with pay until he/she has been continuously employed for a period of ninety (90) days. An employee may utilize his/her allowance of sick leave when unable to perform his/her work duties by reason of illness or injury, including maternity, necessity for medical or dental care, exposure to contagious disease under circumstances by which the health of the employees with whom associated, or member of the public necessarily dealt with, would be endangered by the attendance of the employee. An employee may utilize up to ten (10) days of sick leave because of childbirth by a spouse or because of serious illness or death in the immediate family requiring the presence of the employee. "Immediate family" is defined as mother, father, spouse, sister or brother of husband and wife, children, grandchildren, grandparents of both husband and wife, or other relative residing in the employee's immediate household.
9. A certificate from a regularly licensed practicing physician may, at the discretion of the department head or supervisor, be required if absence from duty by reason of sickness extends beyond the period of four (4) working days, or such lesser period of time as may be required by the appointing authority if such appointing authority has reason to believe that an employee is not adhering to the afore stated restrictions on sick leave usage. The certificate shall be filed with the County Auditor with copies to the employee's department and the Human Resources Department.

D. PERSONAL LEAVE PROGRAM (PLP)

Effective July 2, 2017, members of this unit with Personal Leave Program balances will have the balance frozen until such time as the balance is drawn down by normal use or paid out at the time of separation or retirement.

E. DONATION OF ACCRUED VACATION/CTO TIME

1. An employee may, upon approval, transfer all or any portion of his/her accrued PLP, vacation leave or CTO leave time to another employee of the County. Transfer of PLP/vacation/CTO leave time from one employee to another pursuant to this subsection shall be permitted only in unusual, unanticipated, emergency situations involving serious illness or injury of an employee or serious illness, injury, imminent death or death of a member of the employee's immediate family.  - d. Upon receipt of the Human Resources Director approval, employees willing to donate accrued PLP, vacation or CTO leave time for transfer to another employee shall do so on the Leave Transfer Form developed by the Department of Human Resources;
 - e. Completed Leave Transfer forms shall be submitted directly to the Auditor-Controller's Office by the donor employee. The Auditor shall then credit the recipient employee's vacation leave account by the amount of time donated. In determining the amount of vacation leave time to be credited to the recipient, the Auditor-Controller shall divide the donor's hourly wage rate by the recipient's hourly wage rate and shall multiply the resulting quotient by the number of hours donated.
3. A donor's name may be released to a recipient upon request unless said donor designates otherwise on the Leave Transfer Form.
4. Participation in this program shall be strictly voluntary. No employee shall be required or expected to participate and no employee shall be subject to coercion or threat or intimidation of any kind for failure to donate PLP, vacation leave or CTO time pursuant to this program.

5. To be eligible for receipt of donated time, the affected employee must first exhaust his/her accrued PLP, vacation, sick leave and CTO.

3. It shall be agreed that the County shall give consideration to any recommendations of the Health Benefits Committee (made up of representatives of all employee units, Human Resources and the County's insurance consultant) prior to making any changes to the County health plans. This provision shall not amend or in any way affect any rights given the Union by other section of the agreement to meet and confer prior to implementing any insurance benefit changes.

2. The County shall give the Association notice prior to implementation of any proposed layoff and shall consult with the Association, in good faith, regarding the effects of the said layoff. Such consultation shall not delay the effective date of the layoff unless an agreement is reached to postpone or cancel the proposed layoff.

B. ORDER OF LAYOFF

Employees in the same department and within the same classification shall be laid off as follows:

1. All extra help and provisional employees shall be laid off, in an order determined by the appointing authority, before any probationary employees.

For the purpose of applying this section only, performance shall be defined as annual or probationary performance evaluations submitted 90 days prior to the issuance of a layoff notice.

Layoffs shall be made by classification and by department in accordance with the following procedure and in the following order:

- a. All employees within the classification of a position which is being abolished whose most current annual performance report was less than overall "satisfactory" shall be laid off before any employee in the same classification whose most current annual or final probationary performance report was overall "satisfactory" or above. Within this less than satisfactory group, a less senior employee shall be laid off before an employee with more years of service. An employee laid off pursuant to this provision shall not be permitted to bump an employee occupying a lower classification. Where seniority is equal, the order of layoff within the less than satisfactory group shall be determined by lot as drawn by the Human Resources Director.
- b. All employees within the classification of a position which is being abolished whose most current annual or final probationary performance report was overall "satisfactory" shall be laid off before any employee in the same classification whose most current annual or final probationary performance report was overall "very satisfactory." Within this group, a less senior employee shall be laid off before an employee with more seniority. Where seniority is equal, the order of

layoff within this group of employees shall be determined by lot as drawn by the Human Resources Director.

Within this group, a less senior employee shall be laid off before an employee with more seniority. Where seniority is equal, the order of layoff within this group of employees shall be determined by lot as drawn by the Human Resources Director.
- d. Whenever it becomes necessary to lay off employees whose most current annual or final probationary performance report was overall "outstanding," the said layoffs shall occur in an order determined by the appointing authority, based on his/her assessment of the affected employees' overall ability and willingness to perform.
- e. Except as otherwise provided, any employee who has been displaced as a result of the application of the provisions of this Section shall be permitted to exercise bumping rights into a lower classification within the same classification series and within the same department or into the last position in which the employee held regular status within the same department from which the employee is being displaced. If an employee should elect to exercise his/her bumping rights as provided herein then such employee shall be judged against all employees within the said lower classification in accordance with the foregoing methodology, giving proper weight to the factors of performance and seniority. Such bumping right must be exercised within ten (10) days of the date of layoff notice.

In the case of a tie in seniority pursuant to this section, such tie shall be broken by counting all time in County service.

If this method of breaking ties in seniority results in a tie, the order of layoff shall be determined by lot as drawn by the Human Resources Director.

- f. Any employee bumped pursuant to e., above, shall be permitted to exercise bumping rights into an existing lower classification within the same series and within the same department, where applicable.

Time worked in another classification of equal or greater pay grade and within the same series shall count as time worked within the classification of the employee or group of employees subject to layoff or bumping.
2. Seniority shall not include any period during which an employee was:
 - a. On leave without pay for disciplinary reasons; or
 - b. Not actually in County employment because of his or her voluntary termination, layoff, or other cause.
3. For any employee who is re-employed after being discharged for cause or any probationary employee discharged during the probationary period, seniority shall not include any time worked prior to his or her succeeding appointment.
4. Seniority shall include any time during which an employee is on approved paid or unpaid leave of absence and receiving workers' compensation benefits for an acknowledged job-incurred injury. Such time shall be counted as time worked for purposes of determining seniority and no employee shall suffer any loss of seniority for purposes of layoff where the fact of his/her leave of absence is caused by a bona fide work-related injury.

E. NOTICE OF LAYOFF

Regular employees shall be notified of layoff fourteen (14) days prior to the effective date of same. All other employees may be laid off on twenty-four (24) hours notice. An employee who is to be laid off may elect to accept such layoff prior to the effective date thereof.

F. REGRESSION LADDER

The parties agree and mutually understand that there will be no layoffs of employees in this bargaining unit prior to meeting and conferring in good faith and updating the County's regression ladder which depicts layoff bumping rights.

G. RE-EMPLOYMENT LISTS

1. Providing his or her overall efficiency has been satisfactory, any person having regular or probationary status in the classified service who is laid off in good standing shall have, at the time of layoff, his or her name placed on the re-employment list for the classification from which he or she has been laid off.

**ARTICLE 13
MISCELLANEOUS**

A. CONTRACTING OUT

1. The County may, in the interest of economy and efficiency, perform any or all of the services, projects, or work assignments of its departments, offices, boards, or commissions through the use of its own employees, the employees of other governmental agencies, or through the use of contractual agreements.
2. The County shall give the Association notice prior to the implementation of any proposed contracting wherein such contracting may result in the layoff of any regular employee and shall consult with the Association in good faith regarding the effects of such contracting. Such consultation shall not delay the effective date of such contracting unless an agreement is reached to postpone or cancel the proposed contracting. Consultation shall not be required where the contracting will not result in the layoff of any regular employee.

B. EMPLOYEE BREAKS

Each non-exempt employee shall normally be allowed one rest period not to exceed fifteen (15) minutes for each four (4) hours of continuous time worked. The time when breaks shall be taken shall be at the discretion of the appointing authority. Insofar as practicable and consistent with work requirements and with the advance approval of the supervisor, each rest period shall occur in the middle of the above-specified four-hour period at the Department Head's discretion. Breaks shall not be combined. Nothing

contained herein shall be construed to provide more than two (2) rest periods to any employee during any shift, irrespective of the total number of hours worked in the shift, nor shall such rest periods be cumulative.

C. DAYS AND HOURS OF WORK

1. Except as otherwise specifically provided, the normal work schedule for full-time, regular employees shall consist of five (5) eight (8) hour days from 8:00 A.M. to 5:00 P.M. Monday through Friday except holidays when the employee is working a standard schedule, a 4-10 schedule, a 4-9-4 schedule, or a Flex Schedule. A workweek is defined as that time interval occurring from 1 p.m. on the employee's 8-hour day and ending seven days later at 1 p.m. on the employee's next 8-hour regular day off (RDO) when the employee is working a 9-80 schedule. Employees occupying regular part-time or temporary positions shall work such hours and schedules as prescribed by their department head.
2. The County may, in the interest of efficient staffing and operations, temporarily create a work schedule of work shifts of lesser than, greater than, or equal to five days per week/eight hours per day upon the order of the affected department head for a period not to exceed 60 consecutive working days after giving notice to the affected employees not less than 5 calendar days in advance. Such advance notification shall not be required upon the declaration of an emergency by the County.
3. Temporary work schedules exceeding 60 consecutive working days shall be requested in writing by the department head and approved by the County Executive Officer. Upon such approval, the County and the Association shall meet and confer prior to such temporary work schedules continuing past 60 consecutive working days. In the event that the County and Association fail to reach agreement concerning such continuing work schedules, the County may implement such continuation after seeking resolution through the impasse procedure. If an appeal is made by the Association to the Board of Supervisors, the decision of the Board of Supervisors shall be final.
4. The County may, in the interest of efficient staffing and operations, permanently create a work schedule of work shifts of lesser than, greater than, or equal to five days per week/eight hours per day and shall meet and confer with the Association, prior to any such change, regarding the effects of such permanent change of working hours. In the event that the County and the Association fail to reach agreement concerning such permanent change of hours, the County may implement such permanent change of hours after seeking resolution through the impasse procedure. If appeal is made by the Association to the Board of Supervisors, the decision of the Board of Supervisors shall be final. The County agrees to provide the Association with a minimum of 14 calendar days notice, in advance, of any planned permanent change in working hours.

5. The permanent work schedule of all employees shall be five days per week/eight hours per day unless requested in writing by the affected department head.
6. Nothing contained herein shall prevent a department head from assigning or reassigning an employee to any work schedule applicable to that employee's classification pursuant to this section. Further, nothing contained herein shall be construed to preempt a department heads' authority to assign overtime pursuant to the current Memorandum of Understanding and Nevada County Personnel Code.
7. The provisions of the Fair Labor Standards Act, as applicable, shall be applied in determining any compensation rates for hours worked in excess of 40 hours per week.

D. FLEXIBLE WORK SCHEDULES

A Flexible Work Schedule is a plan by which non-exempt and exempt employees are permitted to have, within certain limits, a Flexible Work Schedule. Flexible Work Schedules shall only be allowed in cases where the following conditions are met:

1. Written approval of the plan by the Department Head is required before an employee may work a Flexible Work Schedule.
2. The submitted Flexible Work Schedule plan must include the following information:
 - a. Method for employees who request to work a Flexible Work Schedule to request a schedule of work hours in advance of receiving approval to participate in the Flexible Work Schedule.
 - i. Following the initial roll-out of Flexible Work Schedules under this policy, anticipated to be February, 2020, open window/election periods will occur two times per year only at which time an employee may revert to a 5-8 schedule, change type of flex schedule (e.g., 9-80 to 4-10), change RDO, change start/stop time. Open windows are August for effective date of first full pay period in September and February for effective date of first full pay period in March.
 - b. Agreement between the employee and the appointing authority that approval to work a Flexible Work Schedule is at the discretion of the appointing authority based on the needs and convenience of the department including, but not limited to the schedules of other personnel, public convenience, departmental workload and other operational considerations.
 - c. Agreement between the employee and the appointing authority stating that employees may work anytime between 7:00 a.m. and 6:00 p.m., with either a half-hour or an hour off for lunch. Core hours during which an employee must be in the office are 9:00 a.m. to 3:30 p.m. unless special circumstances prevent compliance which must be communicated to the appointing authority. Temporary

modifications to the above parameters may be considered on an incidental case-by-case basis at the sole discretion of the appointing authority or designee.

- d. Agreement between the employee and the appointing authority stating that participation in the flextime schedule does not preclude being scheduled for hours in excess of 8 hours a day or 40 hours in the week in which case the employee may qualify for overtime pay as provided in the Personnel Code.

E. FOUR 10-HOUR-DAY, FOUR NINE-HOUR AND ONE FOUR-HOUR DAY, FLEX SCHEDULE AND 9-80 WORK SHIFT ALTERNATIVES

Definitions of Available Flexible Work Schedule Options

4-10: Four ten-hour days are worked per work week. Employees will work four 10-hour days per work week and have one day off. The typical schedule is Monday through Friday. Workweek is defined as Saturday at midnight and ending on the following Saturday at midnight. During a workweek with a holiday, employee will revert back to a Monday to Friday, 8-hour per day schedule.

4-9-4: Employees will work four 9-hour days and one 4-hour day per work week. The typical schedule is Monday through Friday. Workweek is defined as Saturday at midnight and ending on the following Saturday at midnight. During a workweek with a holiday, employee will revert back to a Monday to Friday, 8-hour per day schedule.

“Flex” Schedule: Subject to Department Head discretion and the operational needs of the department, employees may be assigned to work a shift that may begin as early as 7:00 a.m. and end as late as 6:00 p.m., which includes either a half-hour or an hour off for lunch. Employees on a flex schedule typically work Monday through Friday, 8 hours per day. With supervisory approval, a non-exempt employee may flex start and stop times during the same workweek to accommodate absences. Workweek is defined as Saturday at midnight and ending on the following Saturday at midnight.

9/80: Employees will work eight 9-hours days and one 8-hour day every two weeks and have one regularly scheduled day off (RDO) every other week which always falls on the same day of the week as the 8-hour workday on the opposite week during the pay period. The employee’s RDO may not be changed for any purpose unless the change is intended to be permanent. The RDO may not be changed each week or pay period.

The work schedule or regular day off (RDO) of an employee may not be changed to accommodate a holiday. If a holiday lands on the RDO, the holiday will be moved to the next working day unless that moves the holiday into the next workweek. If moving the holiday to the next working day causes the holiday to be observed in the next workweek, then the holiday will be moved to the previous day.
