**RECOMMENDATION:** Approve Resolution to approve Bidding Documents and Specifications for the Retrac Way Bridge Replacement Project– Contract No. 224018

**FUNDING:** Project is budgeted in the Fiscal Year 2016/17 Capital Improvement Project (CIP) Budget and funded with Federal Highway Bridge Program (HBP) and State Exchange funds. There is no impact on the General Fund and no budget amendment is needed.

**BACKGROUND:** On April 26, 2016 the Board of Supervisors adopted Resolution 16-164, approving the plans, specifications and cost estimate for the Retrac Way Bridge Replacement Project and instructing the Purchasing Division to advertise for bids at a date established by the Director of Public Works after final approval from the State to advertise the project for bids.
