Re: Request for funding to support training and outfitting of K9 "Riggs" and his handler Deputy Kayla Ramos

Dear Rüdiger Foundation Board:

As you're all aware, the Nevada County Sheriff's Office recently made the decision to retire one of our service dogs, Canine Ranger. With the decision to retire Ranger, our office opened recruitment for a replacement handler. That recruitment resulted in two candidates, Deputies Kayla Ramos and Breaden Ross, successfully completing all tests and both were ultimately selected to be handlers for our office.

During the testing process, Deputy Ramos presented our office with a proposal for her to bring her retired former law enforcement K9 "Riggs" out of retirement to be her partner. Following this offer, K9 Riggs was evaluated both by our contract training agency, D-Tac K9, as well as Grass Valley Veterinary Hospital and has been deemed to be healthy and capable of once again performing as a law enforcement K9.

Your Board has already approved funding to reimburse our office for the purchase of a replacement K9 for Ranger and to train and outfit a corresponding handler. With Ramos' offer to bring Riggs out of retirement, this would allow our office to bring on an additional K9 at virtually no cost for her dog. Our office already has enough vehicles to outfit two additional K9 teams, so our request is that Rudiger Foundation further authorize reimbursement funding to support Deputy Ramos' attending the 6-week handler's course with Riggs, the purchase of a suitable kennel and concrete pad, and any miscellaneous equipment needed.

Below are estimated costs for the items needed.

6-week handler's course (<i>D-Tac K9</i>)	\$ 7,500.00
Kennel w/ Roof	\$ 700.00
Concrete Kennel floor (<i>if needed</i>)	\$ 1,000.00
Miscellaneous equipment (<i>leashes, collars, leads, etc.</i>)	\$ 1,500.00

Total Funding Request	\$10,700.00

The Sheriff's Office greatly appreciates the ongoing support we've received from Rüdiger Foundation and recognizes we'd not be where we are today with our canine program if it were not for our strong partnership.

Please feel free to contact me with any questions.
