## **NEVADA COUNTY BOARD OF SUPERVISORS**

### **Board Agenda Memo**

---

**MEETING DATE:** September 27, 2022

**TO:** Board of Supervisors

**FROM:** **Craig Griesbach – Director of Emergency Services**

**SUBJECT:** Resolution approving the agreement between the County of Nevada and Washington County Water District relating to public safety services in the amount of \$8,000 for FY 2022/23

**RECOMMENDATION:** Adopt the Resolution

**FUNDING:** The disbursement will come from the Office of Emergency Services FY 2022/23 Budget and was anticipated during budget adoption. There is no budget amendment needed.

**BACKGROUND:**

As part of past and the current Nevada County Board Objectives, the Board of Supervisors has continued to prioritize emergency preparedness as a focus. The County identified a need in the town of Washington to support the Washington County Water District's Fire Department for public safety services. The Washington Fire Department responds to incidents within and around the town of Washington and along the South Yuba River that borders the town of Washington. To support their response for fire, accidents, medical aid, public assistance, and other public service activities as a result of increased visitors to the South Yuba River and the surrounding area the County will reimburse the District \$8,000.00. The grant period begins on July 1, 2022 and ends on June 30, 2023. The District will submit a report 60 days after the expiration of the agreement regarding public safety activities and information.
