

Summer Lunches

at Nevada County Community Library

Summer Learning & Summer Lunches go hand in hand

LUNCH
— at the —
LIBRARY

10,310 Nevada County residents live in food-insecure households. That's 1 out of 7 members of our community.

The annual food budget shortfall in Nevada County is \$8,745,000.

Nevada County
Community Library
will distribute
3,000 breakfasts and lunches
this summer.

“I was not prepared for how much food two growing kids require. This program has been a lifeline for me on my limited budget. Thank you so much! You'll never know how much this program has meant to me and my grandkids.”
