Interests & Experiences

Experience: A resume, or additional sheets, may be attached containing any information that would be helpful to the Board in evaluating your application.

Education/Employment Experience

I am a Public Nurse currently working in the Maternal Child & Adolescent Health program in Nevada County. I have 15 years if combined experience in Public Health between Nevada & Placer Counties. I have worked in almost every program in Public Health. I also worked as a School Nurse in Nevada County for 3 years. I have a Bachelor of Science Degree in Nursing.

Community Experience and Affiliations

One of my primary focuses in the Maternal Child Health programs in both Nevada & Placer counties is to find out what families need and make referrals to community resources. I have developed community resource lists and attended community health meetings and school meetings throughout the years.

List any other County boards, commissions, or committees on which you have served:

Other experience you feel would be helpful to the Board of Supervisors in making this appointment:

Experience :

Public Health Nurse, Nevada County Department of Health Services 500 Crown Point Circle, Grass Valley, Ca. June, 2018 to present. Part time position overseeing the Child Health & Disability Prevention program, assisting in the Childhood Lead Poisoning Prevention program and providing home visits in the Maternal Child and Adolescent Health program (MCAH). Comprehensive Case Management of families with young children. Provide education, referrals to community resources, developmental screenings, triage and guidance as needed.

School Nurse: Twin Ridges Elementary District: includes Grizzly Hill School on the North San Juan Ridge and Washington School in Washington. September, 2017 to April, 2018 this district has approximately 100 students from K through 8th grade. This is a 4 hour a week position. Please see School Nurse duties below.

Public Health Nurse; Placer County Health and Human Services; 11484 B Ave., Auburn, Ca. 95603: November 2011 to present; part time, extra help position began as a Public Health Field Nurse; Case manager for Maternal, Child and Adolescent Health, In Home Support Services & Targeted Case Management. Beginning in 2014 position was primarily in the Communicable Disease Prevention Program doing Infectious Disease Case Investigations. Beginning in February 2017 position changed to working in Whole Person Care a new program dedicated to assisting the Homeless; including persons with alcohol and drug addictions, mental health issues and complex medical challenges.

School Nurse; Penn Valley Unified Elementary School District, Penn Valley, CA.. December 2013 to August 2016: Worked as a School Nurse at Ready Springs School, Vantage Point School, Pleasant Valley School and Williams Ranch School. Oversaw the medically related needs of approximately 750 children in K through 8th grades. Provided education, training and Individual Health Care Plans. Wrote IEP reports for Special Needs children. Oversaw the School Immunization requirements.

Performed Scoliosis Screenings on 7th & 8th grade students. Performed hearing and vision testing for students. Completed state reports as needed.

Public Health Nurse, Nevada County Department of Health Services 500 Crown Point Circle, Grass Valley, Ca. January 2004; to September 2009. Worked as the Nevada County Immunization Coordinator for 2 years and then as the Childhood Lead Poisoning Prevention Coordinator. One third of my position was dedicated to the Maternal Child & Adolescent Health program. In November 2008, took over the position of PHN on the Family Preservation Team. Responsibilities included; overseeing programs, developed county-based statistics, set up IZ & lead testing clinics, wrote RFA's for grants. Develop PSA's, act as an educator and provided community outreach. Worked in the Maternal Child Health program, doing home visits on families. In the Family Preservation program worked with families who are "high risk" providing health assessments, case management, education and crisis intervention.
