David Garcia
Director of Public Works

NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo

MEETING DATE: May 12, 2026
TO: Board of Supervisors
FROM: David Garcia, Director of Public Works
SUBJECT: Resolution to award the contract for 2026 Road Rehabilitation Project to American Pavement Systems, Inc. for a total amount of \$2,392,745.31, County project number 450014, amending the Road Engineering and PRD Darkhorse budgets and authorizing the Purchasing Agent to encumber the contract (4/5 Affirmative Vote Required) – Districts I & II

RECOMMENDATION: Adopt the attached Resolution.

FUNDING: Funding is provided by the Road Maintenance & Rehabilitation Account (RMRA) funds, Permanent Road Division (PRD) Darkhorse and County Service Area (CSA) 12 Zone 1 funds; there is no impact to the County’s General Fund. The 2026 Road Rehabilitation Project is in the 2026 Annual Capital Improvement Program. Budget amendments to Roads Engineering in the amount of \$1,742,327 and PRD Darkhorse in the amount of \$350,000 are necessary to encumber the contract in Fiscal Year 2025/26. No budget amendment is needed for CSA 12 Zone 1.

BACKGROUND: On March 10th, 2026, the Nevada County Board of Supervisors adopted Resolution No. 26-068 authorizing the Purchasing Agent to solicit bids for 2026 Road Rehabilitation Project. Bids were opened on April 9, 2026, and are listed below:

Table with 2 columns: Bidder, Total Bid. Lists 5 bidders: American Pavement Systems, Inc. (\$2,175,223.01), Doolittle Construction (\$2,326,000.03), VSS International (\$2,360,120.00), Pavement Coatings Co (\$2,470,653.35), Sierra Nevada Construction, Inc. (\$2,669,007.00). Engineer's Estimate: \$2,650,000.00

The bid price provided by American Pavement Systems, Inc. contained one minor clerical error moving the price from \$2,169,223.01 to \$2,175,223.01. This did not affect the standings of the bidders and American Pavement Systems, Inc. is still considered the lowest responsive bidder.

It is recommended that the contract be awarded to the low bidder, American Pavement Systems, Inc. at the bid price of \$2,175,223.01, plus a 10% contingency of \$217,522.30 for a total of \$2,392,745.31. Construction is scheduled to begin in Summer 2026.
