NEVADA COUNTY BOARD OF SUPERVISORS

Board Agenda Memo

MEETING DATE: July 12, 2022

TO: Board of Supervisors

FROM: Steve Monaghan, Chief Information Officer

SUBJECT: Resolution approving amendment 1 to the Last-Mile Broadband Grant Agreement dated April 28, 2022 between the County of Nevada and Nevada County Fiber, Inc. extending the termination date to October 31, 2022 and authorizing the Chair of the Board of Supervisors to execute the amendment

RECOMMENDATION: Adopt the attached Resolution.

FUNDING: Information General Services Administration budget shall be used to fund the Grant Agreement with Nevada County Fiber Inc. No budget amendment is needed and there is no further impact on the General Fund.

BACKGROUND:

On April 28, 2020, through Resolution 20-148, the Board of Supervisors awarded Nevada County Fiber Inc a grant in the amount of \$124,209 for the Banner Mountain South/Deer Creek Project. The Project scope was to provide fixed underground fiber optic internet service to 16 households/businesses in an underserved community in the Banner Mountain area by deploying underground fiber optic broadband in the proposed access site to each subscriber. Due to the pandemic and supply chain issues, completion of the final grant objectives has been slower than anticipated. The project has progressed significantly and completed all 16 connections in June 2022. Therefore, Amendment 1 extends the contract termination date from April 28, 2022 to October 31, 2022 to allow for final project wrap up and invoicing. There are no other changes to the grant document.
