Interests & Experiences

Experience: A resume, or additional sheets, may be attached containing any information that would be helpful to the Board in evaluating your application.

Education/Employment Experience

I have served as the Administrative Services Director for the Town of Truckee for over two years and have worked in Finance for the Town of Truckee for over ten years. I am a licensed CPA in the State of California. Prior to working for the Town of Truckee, I worked for a real estate valuation outsourcing firm.

Community Experience and Affiliations

List any other County boards, commissions, or committees on which you have served:

Countywide Oversight Board for Nevada County as the Mid-Manager Employee Group representative, Board Member for the California Intergovernmental Risk Authority JPA, Board Member for the California Transportation Insurance Program JPA, and served on the Tyler Technologies New World Systems Customer Advisory Board.

Other experience you feel would be helpful to the Board of Supervisors in making this appointment:

Not sure if my role at the Town of Truckee would be a conflict of interest. Hardy Bullock posted the vacant positions and this one seemed the most interesting to me in my desire to serve my community.
