Importance: High

Hi Claire,

Ed Scofield, chair of the Nevada County Transportation Commission (NCTC), and I recommend that the Board of Supervisors move forward with adding an item to an upcoming Board of Supervisors meeting to consider the appointment of Jay Strauss to fill the vacant NCTC at-Large position. The next meeting of NCTC is scheduled for May 18th so if possible it is preferred to have the item taken to the board in advance of our next meeting. Please let me know if you have any additional questions or need any additional information.

Thank you,

Mike Woodman, Executive Director
Nevada County Transportation Commission
