Dear Ms. Pappani: *Laura*

We're happy to provide funds for the fiscal year that began July 1, to support your California Library Literacy Services program and the important work you, your staff and volunteers do in your community.

The recently signed state budget continues California Library Literacy Services funding at \$4.82 million, a \$2 million increase over the funding level a few years ago.

At this time, we're providing the \$18,000 baseline amount for your program. The remainder will be sent in the fall after a review of the reports you submit to us in September.

There are three parts to the library's funding formula:

1. A *baseline* amount (\$18,000) for each approved literacy program to provide libraries with the funding needed to deliver a minimum level of local literacy staffing and services;
2. A *per capita* amount per adult learner served in the previous year; and
3. A *match* on local funds raised and expended for adult literacy services—reflecting a commitment to a continuing state/local partnership and providing an incentive for increased local support for adult literacy.

The payment process begins once we receive your signed Claim Form (attached). Please direct any questions to: Andrea Freeland @ 916.651.3191 and/or andrea.freeland@library.ca.gov.

NOTE: All claims must be completed and signed in both places and all claims must be mailed to Fiscal Office – must have original signatures to process claims.

Thank you for your willingness to do so much for so many people in need.

Respectfully yours,

Greg Lucas
