The background features abstract, overlapping green geometric shapes in various shades of green, creating a modern and dynamic feel. The shapes are primarily located on the left and right sides of the slide, framing the central text.

# Master Plan on Aging: Our Journey to Developing Nevada County's Local Playbook

Kelly Carpenter, Program Manager Adult Services

The background features a series of overlapping, semi-transparent green triangles and polygons that create a dynamic, abstract pattern. The colors range from a light, pale green to a deep, forest green. The shapes are layered, with some appearing in front of others, creating a sense of depth and movement. The overall effect is modern and artistic.

Do the best you can  
until you know better.  
Then when you know  
better do better.

~ Maya Angelou

# What is a Master Plan on Aging?

In June 2019, Governor Gavin Newsom issued an executive order calling for the creation of a Master Plan for Aging (MPA) (Executive Order N-14-19, 2019).

The Executive Order affirmed that it is a priority for the state to assure the health and well-being of older Californians and the need for policies that promote healthy aging.

It also called for the development of a “Playbook,” or a blueprint for state government and local government.

# State of California Five Bold Goals for 2030

- ▶ Goal 1: Housing for All Stages and Ages
- ▶ Goal 2: Health Reimagined
- ▶ Goal 3: Inclusion & Equity, not Isolation
- ▶ Goal 4: Caregiving That Works
- ▶ Goal 5: Affording Aging

- ▶ MPA Local Playbook!
- ▶ Where we do we start?

# “Why” is it important to do this MPA work for our community?
