Re: Professional Services Contract – Countywide Security Services

Dear Mr. Carroll,

Nevada County awarded the above Professional Services Contract to your firm for the period of September 1, 2021 through June 30, 2022 on behalf of the Purchasing Division. The County Departments have been satisfied with the services you have provided over this period. The County Purchasing Policy allows the option to renew for another one year, provided the terms can be satisfactorily negotiated.

The County is considering renewal of the contract for the period of July 1, 2022 through June 30, 2023. Please note your decision below, then sign and return this letter, along with a copy of your current insurance documents by email **as soon as possible**.

Renewal of your contract is solely at the County's discretion. Your response will be carefully evaluated to determine if a satisfactory renewal can be accomplished, or if rebidding will best serve the County's interest. **The following item is required with your renewal response:**

Certificate of Insurance with the minimum coverage shown in the original Contract (attached.)

Please remember I cannot renew your Contract until all the recommended insurance certificates are received.

If you have any questions regarding this process, please feel free to call me at 530-265-1557.
