I also ask that the Board of Supervisors collaborate with the Nevada County Arts Council on distribution of a portion of the ARP funds to support our arts community. Item: 26. SR 21-0291 Request for Board direction on the Expenditure Plan for Local Funding that is provided to the County of Nevada in the American Rescue Plan Act of 2021.

eComment: Andrea Fox, choral accompanist, Bear River High School. I can testify to the urgent need for stimulus for our creative economy. I note that only 30% of \$19.35m in ARP funds is being reinvested back into the community despite the many non-profits supporting pandemic efforts as a complement to the County's own. Please work with your State-Local Partner, Nevada County Arts Council, in the same way that Counties across CA are doing, to properly assess the need and potential impact of ARP investment.
