My name is Beth Moorehead, I live in District III, and my in laws have lived here since the early 1900s. My children's great great grandfather was actually killed in a mining accident. I oppose the Rise Gold mine for environmental reasons, and because my friends on Greenhorn will probably lose their wells and with that their property value, plus additional traffic, noise, etc. This list is long, and I'm sure you've heard many of these concerns already. I also oppose it because my husband took that marketing poll - it was very deceiving and disingenuous. If you can't trust their polling techniques and the miserable advertisements later published based on the false news... I have no confidence in this company to make any promises stick.

NO VOTE on Rise Gold.

Regards,
Beth Moorehead

We're against the mine for the reasons already eloquently presented by others: dust, noise, truck traffic, visual blight, dewatering, pollution, and quality of life. We vote. If you claim to represent us, don't let this travesty occur.
Diane Miessler, Nevada City

Re: I support the re-opening of the Idaho-Maryland Mine

Dear Board of Supervisors County,

Nevada County is in tremendous need of new, well-paying jobs that can help provide a strong economic future for today and for decades to come. Rise Grass Valley's plan to build a modern and environmentally sensitive mine that respects neighbors and our natural environment while creating over 600 new local jobs is a once in a generation opportunity to revitalize our local economy.

Re-opening the mine means over 300 new employees in safe and satisfying careers with an average expected annual salary of more than \$90,000 plus benefits. The Mine will also spur an additional 600 jobs through related new business in the area. This project will enhance the pride and confidence of Nevada County workers and their families and help build stable and prosperous lives.

Opportunities like this come along rarely. Rise Grass Valley has a responsible, innovative project for Nevada County. I urge the Board of Supervisors and other county officials to jump start our local economy by strongly supporting the re-opening of the Idaho-Maryland Mine.

Sincerely,
David Hardy
