**NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo**

MEETING DATE: January 11, 2022
TO: Board of Supervisors
FROM: Panos Kokkas, Director of Public Works
SUBJECT: Resolution Authorizing Environmental Clearance for the 2022 High Friction Surface Treatment Project

RECOMMENDATION: Approve the attached resolution.

FUNDING: The 2022 High Friction Surface Treatment Project is funded with Highway Safety Improvement Program (HSIP) funds. There is no impact to the General Fund and a budget amendment is not necessary.

BACKGROUND: This project consists of applying High Friction Surface Treatment (HFST) to up to 20 road curves throughout Nevada County. Work is scheduled for summer of 2022. All work will be performed within the County's existing right-of-way. A map of the locations this work is proposed for is provided as Attachment A.

The Public Works Department has reviewed the project for compliance with the California Environmental Quality Act (CEQA) and has identified it as a Class 1 project. Class 1 projects include those involving the minor alteration of an existing public facility with no expansion of use.

The project is categorically exempt from the provisions of CEQA per Section 15301(c) of the CEQA Guidelines.

A Notice of Exemption has been prepared for the project, and upon approval by the Nevada County Board of Supervisors, will be filed with the Nevada County Clerk-Recorder's Office.

Item Initiated by: Richard Poole, Assistant Engineer
Approved by: Panos Kokkas, Director of Public Works
