

# **RESOLUTION No. \_\_\_\_\_**

## **OF THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA**

### **RESOLUTION APPROVING THE PURCHASE OF VMWARE CLOUD FOUNDATION SUBSCRIPTION FROM EPLUS TECHNOLOGY FOR A FIVE-YEAR TERM WITH A MAXIMUM COST OF \$290,000**

WHEREAS, VMWare Cloud Foundation (VCF) is a comprehensive platform designed to deliver a full-stack hyperconverged infrastructure (HCI) for modernizing data centers and deploying container-based applications; and

WHEREAS, VMWare's products have consistently provided stable and secure products to enable the County to operate an efficient and dependable data center in support of enterprise and department software systems; and

WHEREAS, it simplifies data center operations and provides a consistent technology foundation across on-premises systems, remote locations, and public cloud environments; and

WHEREAS, in contracting for this product, the Nevada County Purchasing Policy Section 7.1 required Board of Supervisor approval for all commodities with a total aggregate amount exceeding \$250,000; and

WHEREAS, this purchase exceeds the purchasing threshold because the five year agreement totals \$290,000.00. This resolution approves the purchase and authorizes the Purchasing Agent to sign the purchase agreement and encumber the funds.

NOW THEREFOR BE IT HEREBY RESOLVED that the Board of Supervisors, of the County of Nevada, State of California, authorizes the purchase of VMWare Cloud Foundation subscription from ePlus Technology for a five-year term with a total maximum cost of \$290,000, and authorizes the Purchasing Agent to execute the agreement and any change orders necessary to effectuate the agreement without exceeding the maximum contract amount, and to encumber the funds.
