**BACKGROUND:** To increase transparency and accountability regarding the work and resources dedicated to the Board of Supervisor’s annual objectives, the County CEO prepares quarterly progress reports and makes a mid-year and year-end presentation to the Board.

In January of 2024, the Board of Supervisors set annual priorities for the County during their planning workshop including: 1) Fiscal Stability and Core Services; 2) Emergency Preparedness; 3) Economic Development; 4) Broadband; 5) Climate Resilience; 6) Housing; 7) Homelessness; and 8) Recreation.

This mid-year report represents the progress made toward these objectives during January-June 2024. The report includes a progress update and next steps for each objective and related initiatives.
