4. DATA COLLECTION AND EVALUATION REQUIREMENTS

Grantees will be required to comply with all data collection, evaluation, and reporting requirements of the Indigent Defense Grant Program. This includes the timely submission of the final progress report and Local Evaluation Report.

The BSCC has contracted with an outside evaluator for a statewide evaluation of the impact of the projects funded by the Indigent Defense Grant Program in consultation with the State Public Defender's Office. The contractor designed and developed instruments for collecting progress information from grantees; developed the research methodology for the statewide evaluation; designed and developed instruments for collecting evaluation data from grantees; provides ongoing technical assistance to grantees for data collection and evaluation activities; compiles, screens, and analyzes data obtained from grantees; and will develop a final report on the impact of the Indigent Defense Grant Program.

5. REPORTING REQUIREMENTS

A. Final Progress Report

Grantees will submit a final progress report to the State Public Defender's Office in the format prescribed by the outside evaluator. Questions about the Final Progress Report shall be directed to the outside evaluator and the State Public Defender's Office. The Final Progress Report, which will describe progress made on program objectives and include required data, shall be submitted according to the following schedule:

Progress Report Period

July 1, 2023 to November 30, 2023*

Due no later than:

January 12, 2024

**Note: This report will not cover the entire term of the extended project period.*

B. Final Local Evaluation Report

Grantees will submit the Final Local Evaluation Report to the State Public Defender's Office and BSCC in accordance with their Local Evaluation Plan (submitted as a part of the original agreement).

***Note: This report will cover the entire term of the extended project period.*

6. PROJECT RECORDS

- A. The Grantee shall establish an official file for the project. The file shall contain adequate documentation of all actions taken with respect to the project, including copies of this Grant Agreement, approved program/budget modifications, financial records and required reports.
- B. The Grantee shall establish separate accounting records and maintain documents and other evidence sufficient to properly reflect the amount, receipt, and disposition of all project funds, including grant funds and any matching funds by the Grantee and the total cost of the project.

EXHIBIT A: SCOPE OF WORK

Source documentation includes copies of all awards, applications, approved modifications, financial records and narrative reports.

- C. Personnel and payroll records shall include the time and attendance reports for all individuals reimbursed under the grant, whether they are employed full-time or part-time. Time and effort reports are also required for all subcontractors and consultants.
- D. The grantee shall maintain documentation of donated goods and/or services, including the basis for valuation.
- E. Grantee agrees to protect records adequately from fire or other damage. When records are stored away from the Grantee's principal office, a written index of the location of records stored must be on hand and ready access must be assured.
- F. All Grantee records relevant to the project must be preserved a minimum of three (3) years after closeout of the grant project and shall be subject at all reasonable times to inspection, examination, monitoring, copying, excerpting, transcribing, and auditing by the BSCC or designees. If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the three-year period, the records must be retained until the completion of the action and resolution of all issues which arise from it or until the end of the regular three-year period, whichever is later.

EXHIBIT B: BUDGET DETAIL AND PAYMENT PROVISIONS

1. INVOICING AND PAYMENTS

- A. Under the original agreement, the Grantee was paid in one lump sum by submitting an invoice (Form 201) to the BSCC. If applicable, grantees may submit an invoice with a \$0 claim.
- E. Upon the BSCC's request, supporting documentation must be submitted for project expenditures. Grantees are required to maintain supporting documentation for all expenditures on the project site for the life of the grant and make it readily available for review during BSCC site visits. See Exhibit A. Scope of Work, Item 6. Project Records.
- F. Any unspent funds remaining at the end of the agreement term, including any interest earned, must be returned to the BSCC within 30 days of the submission of the final invoice.

2. GRANT AMOUNT AND LIMITATION

- A. In no event shall the BSCC be obligated to pay any amount in excess of the grant award. Grantee waives any and all claims against the BSCC, and the State of California on account of project costs that may exceed the sum of the grant award.
- B. Under no circumstance will a budget item change be authorized that would cause the project to exceed the amount of the grant award identified in this Grant Agreement.

3. BUDGET CONTINGENCY CLAUSE

- A. This grant agreement is valid through Indigent Defense funding generated from the General Fund. The Grantee agrees that the BSCC's obligation to pay any sum to the grantee under any provision of this agreement is contingent upon the availability of sufficient funding granted through the passage of the Budget Act of 2020 (Senate Bill 74). It is mutually agreed that if the

EXHIBIT B: BUDGET DETAIL AND PAYMENT PROVISIONS

Budget Act of the current year and/or any subsequent years covered under this Grant Agreement does not appropriate sufficient funds for the program, this Grant Agreement shall be of no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement.

- B. If Indigent Defense funding is reduced or falls below estimates contained within the Indigent Defense Application Package, the BSCC shall have the option to either cancel this Grant Agreement with no liability occurring to the BSCC or offer an amendment to this agreement to the Grantee to reflect a reduced amount.
- C. If BSCC cancels the agreement pursuant to Paragraph 3(B) or Grantee does not agree to an amendment in accordance with the option provided by Paragraph 3(B), it is mutually agreed that the Grant Agreement shall have no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement except that Grantee shall be required to maintain all project records required by Paragraph 6 of Exhibit A for a period of three (3) years following the termination of this agreement.

4. PROJECT COSTS

- A. Grantee is responsible for ensuring that actual expenditures are for eligible project costs. "Eligible" and "ineligible" project costs are set forth in the July 2020 BSCC Grant Administration Guide, which can be found under Quick Links here:

https://www.bscc.ca.gov/s_correctionsplanningandprograms/

The provisions of the BSCC Grant Administration Guide are incorporated by reference into this agreement and Grantee shall be responsible for adhering to the requirements set forth therein. To the extent any of the provisions of the BSCC Grant Administration Guide and this agreement conflict, the language in this agreement shall prevail.

- B. Grantee is responsible for ensuring that invoices submitted to the BSCC claim actual expenditures for eligible project costs.
- C. Grantee shall, upon demand, remit to the BSCC any grant funds not expended for eligible project costs or an amount equal to any grant funds expended by the Grantee in violation of the terms, provisions, conditions or commitments of this Grant Agreement.
- D. Grant funds must be used to support new program activities or to augment existing funds that expand current program activities. Grant funds shall not replace (supplant) any federal, state and/or local funds that have been appropriated for the same purpose. Violations can result in recoupment of monies provided under this grantor suspension of future program funding through BSCC grants.

5. PROMPT PAYMENT CLAUSE

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

6. WITHHOLDING OF GRANT DISBURSEMENTS

- A. The BSCC may withhold all or any portion of the grant funds provided by this Grant Agreement in the event the Grantee has materially and substantially breached the terms and conditions of this Grant Agreement.

EXHIBIT B: BUDGET DETAIL AND PAYMENT PROVISIONS

- B. At such time as the balance of state funds allocated to the Grantee reaches five percent (5%), the BSCC may withhold that amount as security, to be released to the Grantee upon compliance with all grant provisions, including:
- 1) submittal and approval of the final invoice;
 - 2) submittal and approval of the final progress report; and
 - 3) submittal and approval of any additional required reports, including but not limited to a potential Final Local Evaluation Report.
- C. The BSCC will not reimburse Grantee for costs identified as ineligible for grant funding. If grant funds have been provided for costs subsequently deemed ineligible, the BSCC may either withhold an equal amount from future payments to the Grantee or require repayment of an equal amount to the State by the Grantee.
- D. In the event that grant funds are withheld from the Grantee, the BSCC's Executive Director or designee shall notify the Grantee of the reasons for withholding and advise the Grantee of the time within which the Grantee may remedy the failure or violation leading to the withholding.

The Grantee may appeal the termination decision in accordance with the instructions listed in Exhibit D: Special Terms and Conditions, Number 8. Settlement of Disputes.

8. SETTLEMENT OF DISPUTES

- A. The parties shall deal in good faith and attempt to resolve potential disputes informally. If the dispute persists, the Grantee shall submit to the BSCC Corrections Planning and Grant Programs Division Deputy Director a written demand for a final decision regarding the disposition of any dispute between the parties arising under, related to, or involving this Grant Agreement. Grantee's written demand shall be fully supported by factual information. The BSCC Corrections Planning and Grant Programs Division Deputy Director shall have 30 days after receipt of Grantee's written demand invoking this Section "Disputes" to render a written decision. If a written decision is not rendered within 30 days after receipt of the Grantee's demand, it shall be deemed a decision adverse to the Grantee's contention. If the Grantee is not satisfied with the decision of the BSCC Corrections Planning and Grant Programs Division Deputy Director, the Grantee may appeal the decision, in writing, within 15 days of its issuance (or the expiration of the 30-day period in the event no decision is rendered), to the BSCC Executive Director, who shall have 45 days to render a final decision. If the Grantee does not appeal the decision of the BSCC Corrections Planning and Grant Programs Division Deputy Director, the decision shall be conclusive and binding regarding the dispute and the Contractor shall be barred from commencing an action in court, or with the Victims Compensation Government Claims Board, for failure to exhaust Grantee's administrative remedies.
- B. Pending the final resolution of any dispute arising under, related to or involving this Grant Agreement, Grantee agrees to diligently proceed with the performance of this Grant Agreement, including the providing of services in accordance with the Grant Agreement. Grantee's failure to diligently proceed in accordance with the State's instructions regarding this Grant Agreement shall be considered a material breach of this Grant Agreement.
- C. Any final decision of the State shall be expressly identified as such, shall be in writing, and shall be signed by the Executive Director, if an appeal was made. If the Executive Director fails to render a final decision within 45 days after receipt of the Grantee's appeal for a final decision, it shall be deemed a final decision adverse to the Grantee's contentions. The State's final decision shall be conclusive and binding regarding the dispute unless the Grantee commences an action in a court of competent jurisdiction to contest such decision

EXHIBIT D: SPECIAL TERMS AND CONDITIONS

within 90 days following the date of the final decision or one (1) year following the accrual of the cause of action, whichever is later.

- D. The dates of decision and appeal in this section may be modified by mutual consent, as applicable, excepting the time to commence an action in a court of competent jurisdiction.

9. UNION ACTIVITIES

For all agreements, except fixed price contracts of \$50,000 or less, the Grantee acknowledges that applicability of Government Code §§16654 through 16649 to this Grant Agreement and agrees to the following:

- A. No State funds received under the Grant Agreement will be used to assist, promote or deter union organizing.

If Grantee incurs costs or makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no reimbursement from State funds has been sought for these costs, and that Grantee shall provide those records to the Attorney General upon request.

- B. Under no circumstance will a budget item change be authorized that would cause the project to exceed the amount of the grant award identified in this Grant Agreement.

3. BUDGET CONTINGENCY CLAUSE

- A. This grant agreement is valid through Indigent Defense funding generated from the General Fund. The Grantee agrees that the BSCC's obligation to pay any sum to the grantee under any provision of this agreement is contingent upon the availability of sufficient funding granted through the passage of the Budget Act of 2020 (Senate Bill 74). It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Grant Agreement does not appropriate sufficient funds for the program, this Grant Agreement shall be of no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement.
- B. If Indigent Defense funding is reduced or falls below estimates contained within the Indigent Defense Application Package, the BSCC shall have the option to either cancel this Grant Agreement with no liability occurring to the BSCC or offer an amendment to this agreement to the Grantee to reflect a reduced amount.
- C. If BSCC cancels the agreement pursuant to Paragraph 3(B) or Grantee does not agree to an amendment in accordance with the option provided by Paragraph 3(B), it is mutually agreed that the Grant Agreement shall have no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement except that Grantee shall be required to maintain all project records required by Paragraph 6 of Exhibit A for a period of three (3) years following the termination of this agreement.

4. PROJECT COSTS

- A. Grantee is responsible for ensuring that actual expenditures are for eligible project costs. "Eligible" and "ineligible" project costs are set forth in the July 2020 BSCC Grant Administration Guide, which can be found under Quick Links here:

https://www.bscc.ca.gov/s_correctionsplanningandprograms/

The provisions of the BSCC Grant Administration Guide are incorporated by reference into this agreement and Grantee shall be responsible for adhering to the requirements set forth therein. To the extent any of the provisions of the BSCC Grant Administration Guide and this agreement conflict, the language in this agreement shall prevail.

- B. Grantee is responsible for ensuring that invoices submitted to the BSCC claim actual expenditures for eligible project costs.
- C. Grantee shall, upon demand, remit to the BSCC any grant funds not expended for eligible project costs or an amount equal to any grant funds expended by the Grantee in violation of the terms, provisions, conditions or commitments of this Grant Agreement.
- D. Grant funds must be used to support new program activities or to augment existing funds that expand current program activities. Grant funds shall not replace (supplant) any federal, state and/or local funds that have been appropriated for the same purpose. Violations can result in

EXHIBIT B: BUDGET DETAIL AND PAYMENT PROVISIONS

recoupment of monies provided under this grantor suspension of future program funding through BSCC grants.

5. PROMPT PAYMENT CLAUSE

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

6. WITHHOLDING OF GRANT DISBURSEMENTS

- A. The BSCC may withhold all or any portion of the grant funds provided by this Grant Agreement in the event the Grantee has materially and substantially breached the terms and conditions of this Grant Agreement.
- B. At such time as the balance of state funds allocated to the Grantee reaches five percent (5%), the BSCC may withhold that amount as security, to be released to the Grantee upon compliance with all grant provisions, including:
 - 1) submittal and approval of the final invoice;
 - 2) submittal and approval of the final progress report; and
 - 3) submittal and approval of any additional required reports, including but not limited to a potential Final Local Evaluation Report.
- C. The BSCC will not reimburse Grantee for costs identified as ineligible for grant funding. If grant funds have been provided for costs subsequently deemed ineligible, the BSCC may either withhold an equal amount from future payments to the Grantee or require repayment of an equal amount to the State by the Grantee.
- D. In the event that grant funds are withheld from the Grantee, the BSCC's Executive Director or designee shall notify the Grantee of the reasons for withholding and advise the Grantee of the time within which the Grantee may remedy the failure or violation leading to the withholding.

1. GRANTEE'S GENERAL RESPONSIBILITY

- A. Grantee agrees to comply with all terms and conditions of this Grant Agreement. Review and approval by the BSCC are solely for the purpose of proper administration of grant funds and shall not be deemed to relieve or restrict the Grantee's responsibility.
- B. Grantee is responsible for the performance of all project activities identified in Attachment 1: Indigent Defense Application Package.
- C. Grantee shall immediately advise the BSCC of any significant problems or changes that arise during the course of the project.

2. GRANTEE ASSURANCES AND COMMITMENTS

Grantee agrees to procure all permits and licenses necessary to complete the project, pay all charges and fees, and give all notices necessary or incidental to the due and lawful proceeding of the project work.

3. POTENTIAL SUBCONTRACTORS

- A. In accordance with the provisions of this Grant Agreement, the Grantee may subcontract for services needed to implement and/or support program activities. Grantee agrees that in the event of any inconsistency between this Grant Agreement and Grantee's agreement with a subcontractor, the language of this Grant Agreement will prevail.
- B. Nothing contained in this Grant Agreement or otherwise, shall create any contractual relation between the BSCC and any subcontractors, and no subcontract shall relieve the Grantee of his responsibilities and obligations hereunder. The Grantee agrees to be as fully responsible to the BSCC for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Grantee. The Grantee's obligation to pay its subcontractors is an independent obligation from the BSCC's obligation to make payments to the Grantee. As a result, the BSCC shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.
- C. Grantee assures that for any subcontract awarded by the Grantee, such insurance and fidelity bonds, as is customary and appropriate, will be obtained.
- D. Grantee agrees to place appropriate language in all subcontracts for work on the project requiring the Grantee's subcontractors to:
 - 1) Books and Records
Maintain adequate fiscal and project books, records, documents, and other evidence pertinent to the subcontractor's work on the project in accordance with generally

EXHIBIT D: SPECIAL TERMS AND CONDITIONS

accepted accounting principles. Adequate supporting documentation shall be maintained in such detail so as to permit tracing transactions from the invoices, to the accounting records, to the supporting documentation. These records shall be maintained for a minimum of three (3) years after the acceptance of the final grant project audit under the Grant Agreement and shall be subject to examination and/or audit by the BSCC or designees, state government auditors or designees, or by federal government auditors or designees.

2) Access to Books and Records

Make such books, records, supporting documentations, and other evidence available to the BSCC or designee, the State Controller's Office, the Department of General Services, the Department of Finance, California State Auditor, and their designated representatives during the course of the project and for a minimum of three (3) years after acceptance of the final grant project audit. The Subcontractor shall provide suitable facilities for access, monitoring, inspection, and copying of books and records related to the grant-funded project.

4. PROJECT ACCESS

Grantee shall ensure that the BSCC, or any authorized representative, will have suitable access to project activities, sites, staff and documents at all reasonable times during the grant period including those maintained by subcontractors. Access to program records will be made available by both the grantee and the subcontractors for a period of three (3) years following the end of the grant period.

5. ACCOUNTING AND AUDIT REQUIREMENTS

A. Grantee agrees that accounting procedures for grant funds received pursuant to this Grant Agreement shall be in accordance with generally accepted government accounting principles and practices, and adequate supporting documentation shall be maintained in such detail as to provide an audit trail. Supporting documentation shall permit the tracing of transactions from such documents to relevant accounting records, financial reports and invoices.

The BSCC reserves the right to call for a program or financial audit at any time between the execution of this Grant Agreement and three years following the end of the grant period. At any time, the BSCC may disallow all or part of the cost of the activity or action determined to not be in compliance with the terms and conditions of this Grant Agreement or take other remedies legally available.

6. MODIFICATIONS

No change or modification in the project will be permitted without prior written approval from the BSCC. Changes may include modification to project scope, changes to performance measures, compliance with collection of data elements, and other significant changes in the budget or program components contained in Attachment 1: Indigent Defense Application Package.

7. TERMINATION

A. This Grant Agreement may be terminated by the BSCC at any time after grant award and prior to completion of project upon action or inaction by the Grantee that constitutes a material and substantial breach of this Grant Agreement. Such action or inaction includes but is not limited to:

EXHIBIT D: SPECIAL TERMS AND CONDITIONS

- 1) substantial alteration of the scope of the grant project without prior written approval of the BSCC;
 - 2) refusal or inability to complete the grant project in a manner consistent with Attachment 1: Indigent Defense Application Package or approved modifications;
 - 3) failure to provide the required local match share of the total project costs; and
 - 4) failure to meet prescribed assurances, commitments, recording, accounting, auditing, and reporting requirements of the Grant Agreement.
- B. Prior to terminating the Grant Agreement under this provision, the BSCC shall provide the Grantee at least 30 calendar days written notice stating the reasons for termination and effective date thereof. The Grantee may appeal the termination decision in accordance with the instructions listed in Exhibit D: Special Terms and Conditions, Number 8. Settlement of Disputes.

8. SETTLEMENT OF DISPUTES

- A. The parties shall deal in good faith and attempt to resolve potential disputes informally. If the dispute persists, the Grantee shall submit to the BSCC Corrections Planning and Grant Programs Division Deputy Director a written demand for a final decision regarding the disposition of any dispute between the parties arising under, related to, or involving this Grant Agreement. Grantee's written demand shall be fully supported by factual information. The BSCC Corrections Planning and Grant Programs Division Deputy Director shall have 30 days after receipt of Grantee's written demand invoking this Section "Disputes" to render a written decision. If a written decision is not rendered within 30 days after receipt of the Grantee's demand, it shall be deemed a decision adverse to the Grantee's contention. If the Grantee is not satisfied with the decision of the BSCC Corrections Planning and Grant Programs Division Deputy Director, the Grantee may appeal the decision, in writing, within 15 days of its issuance (or the expiration of the 30-day period in the event no decision is rendered), to the BSCC Executive Director, who shall have 45 days to render a final decision. If the Grantee does not appeal the decision of the BSCC Corrections Planning and Grant Programs Division Deputy Director, the decision shall be conclusive and binding regarding the dispute and the Contractor shall be barred from commencing an action in court, or with the Victims Compensation Government Claims Board, for failure to exhaust Grantee's administrative remedies.
- B. Pending the final resolution of any dispute arising under, related to or involving this Grant Agreement, Grantee agrees to diligently proceed with the performance of this Grant Agreement, including the providing of services in accordance with the Grant Agreement. Grantee's failure to diligently proceed in accordance with the State's instructions regarding this Grant Agreement shall be considered a material breach of this Grant Agreement.
- C. Any final decision of the State shall be expressly identified as such, shall be in writing, and shall be signed by the Executive Director, if an appeal was made. If the Executive Director fails to render a final decision within 45 days after receipt of the Grantee's appeal for a final decision, it shall be deemed a final decision adverse to the Grantee's contentions. The State's final decision shall be conclusive and binding regarding the dispute unless the Grantee commences an action in a court of competent jurisdiction to contest such decision within 90 days following the date of the final decision or one (1) year following the accrual of the cause of action, whichever is later.

EXHIBIT D: SPECIAL TERMS AND CONDITIONS

- D. The dates of decision and appeal in this section may be modified by mutual consent, as applicable, excepting the time to commence an action in a court of competent jurisdiction.

9. UNION ACTIVITIES

For all agreements, except fixed price contracts of \$50,000 or less, the Grantee acknowledges that applicability of Government Code §§16654 through 16649 to this Grant Agreement and agrees to the following:

- A. No State funds received under the Grant Agreement will be used to assist, promote or deter union organizing.
- B. Grantee will not, for any business conducted under the Grant Agreement, use any State property to hold meetings with employees or supervisors, if the purpose of such meetings is to assist, promote or deter union organizing, unless the State property is equally available to the general public for holding meetings.
- C. If Grantee incurs costs or makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no reimbursement from State funds has been sought for these costs, and that Grantee shall provide those records to the Attorney General upon request.

10. WAIVER

The parties hereto may waive any of their rights under this Grant Agreement unless such waiver is contrary to law, provided that any such waiver shall be in writing and signed by the party making such waiver.

Project Description

Provide a one-page description of the proposed project in the space provided below.

The Nevada County Public Defender's Office proposes to use this funding to establish a paid Law Clerk program, expand staff training and expertise on indigent defense needs within our community, improve technology access to increase efficiencies, and providing supportive services to indigent clients who struggle to maintain basic needs.

Nevada County is about an hour drive from any law school. Offering paid clerkships to law students would open the door to public defender employment for law students who would not be able to volunteer their time due to their personal financial circumstances or who might not think of practicing law in a rural, mountain community. This early representation program would interview people who have been booked into the jail to determine case management needs and obtain background information in order to facilitate release. Law Clerks would assist in reducing the backlog of cases created by COVID-19, complete motions work and depending on level of certification, may be assigned clients.

There has been a move within Public Defender's offices recently to train staff on client-centered cultural competency. Some of Nevada County Public Defender staff have attended trainings, such as those offered through Gideon's Promise, and it is the intent, with this grant, to fully train the office and further implement this approach to client defense. As attorneys are trained, discussion of cases will incorporate key lessons learned in how to structure cases and client communication in line with this cultural competence and client-centered training. Reinforcement of the key concepts will occur through regular staff meetings, 1:1 discussions, and annual performance reviews. Training may occur through other organizations that also focus on a client centered approach.

Two key technology tools will be purchased as part of this grant proposal. First, the Nevada County Superior Court is transitioning to a new Case Management System during 2021 and, in order to facilitate efficient communication between the Courts and Public Defender, an add-on license will be purchased. Second, the District Attorney's office utilizes Evidence.com as a cloud-based data repository which requires Public Defender staff spend hours downloading, transcribing, editing and reviewing case file information, which is inefficient and not cost effective. Purchasing licensed access to Evidence.com will improve these issues.

Finally, during case management there are often supportive services needed by clients which are not always feasible. These supports can include meals, transportation, clothing, and housing during the client's case. Support will be provided on a case by case basis and follow the grant requirements for pre-approval by BSCC where appropriate.

With these four goals, the Nevada County Public Defender's Office is confident we can improve indigent defense services for our clients.

TOTAL		\$217,068.00

1b. Salaries and Benefits Narrative:

Paid Law Clerk internships are not common and are necessary to attract law students to the rural, mountainous county of Nevada. By having a paid Clerkship, candidates who would otherwise not apply due to financial hardships, would benefit from this opportunity. In exchange, the Public Defender's Office would receive much needed assistance with early representation interviews, motions work, and, depending on the certification of the Clerks, could also provide support for trials. This is a part-time job for up to 3 individuals at 1,040 hours maximum per year. It is anticipated the program would be funded and staffed for 2 of the 2.25 years of the grant award. It is anticipated that the Fiscal Director will work 60 hours per year on grant reporting, evaluation plan, and review of grant purchases at a fully benefitted hourly rate of \$106.14. The Project Director will be the Chief Public Defender, who will spend a minimum of 40 hours per year directing the activities of this grant at a fully benefitted rate of \$152.23. The Administrative Assistant will be responsible for day to day financial activity related to the grant, prepare grant reports, and assist with the evaluation plan for an estimated 80 hours at a fully benefitted hourly rate of \$42.57.

2a. Services and Supplies

Description of Services or Supplies	Calculation for Expenditure	Total
Client supportive services	Transportation (\$25 x 25 clients x 27 months)	\$16,875.00
Client supportive services	Meals (\$10 x 25 clients x 27 months)	\$6,750.00
Client supportive services	Hotel vouchers (\$126 x 5 nights x 27 months) Note: GSA for Nevada City is \$126	\$17,010.00
Client supportive services	Clothing support (\$50 x 47 clients x 2.25 years)	\$5,480.80
Network Connection Fee	Required for 3 Law Clerks to access email, network services (3 x \$386 annual Network Connection fee x 2 years)	\$2,316.00
		\$0.00
		\$0.00
		\$0.00
TOTAL		\$48,431.80

2b. Services and Supplies Narrative:

One of the largest impediments of indigent client success is lack of supportive services, specifically around transportation, food, housing, and clothing. By having a monthly allowance for these items, the Project Director can ensure each case and client is provided the basic necessities. In addition, the Project Director, through the Public Defender's Personal Services Coordinator, will match up clients to County services for long-term success. These funds are intended to be used on an as-needed basis. It is understood that BSCC requires prior written approval for purchase of food/meals. Also included in this category is the annual Network Connection fee for the three law clerk positions. This fee covers all IGS related services to create and maintain a County email address, access to network services and products.

TOTALS		\$31,908.20

5b. Equipment/Fixed Assets Narrative

The Nevada County Superior Court is implementing a new Case Management System software in 2021 and in order to improve efficiency in managing cases across departments, the Public Defender's Office would like to purchase the Add-On software to enable its client database on the court's system. The initial cost is estimated at \$10,000 with an annual maintenance fee of \$2,000, which will be pro-rated for the grant term and thereafter included in the Public Defender's annual budget request. In addition, 3 law clerk positions will require purchase of 3 laptops. Per County IGS specifications, Dell Latitude 5320 models will be required at an estimated cost of \$1,289.40 each. Finally, the District Attorney's office utilizes a cloud-based data storage repository, evidence.com, which, without an end user license, requires significant time by the public Defender Attorney's and staff to access critical case evidence and data. By purchasing licenses and storage capacity, significant efficiency can be gained and eliminate the need to download, edit, redact, and store evidence on cd-r or usb drives. Evidence.com provides secure access and auditable access records to ensure evidence is not compromised or used incorrectly.

Client-Centered Training	Leadership Training - 2 attorneys x 3 years (\$500 tuition, 4-day lodging \$163 (GSA), 4-day per diem \$66 (GSA), airfare Sacramento, CA to Atlanta, GA est. \$500)	\$11,496.00

		\$0.00
		\$0.00
TOTAL		\$25,992.00

7b. Other (Travel, Training, etc.) Narrative:

Changing the way public defenders approach their cases and ensuring a client-centered and culturally competent defense is increasingly important. Identifying training opportunities and having the funding to get staff trained - even as a train-the-trainer approach is difficult without grants such as this one. The proposal is to train four attorneys each year - two as a lead client-centered trainer for the department and two attending specific training on how to be a leader within the department. Currently this type of training is only offered outside of California and the budget proposal is based upon travel to Atlanta, GA. Should other locations open up, Nevada County would be willing to limit travel to in-state.

Appendix E: Evaluation Guidelines

Indigent Defense Grant Program Local Evaluation Plan

The Indigent Defense Grant Program for funding period February 15, 2021 through June 30, 2023 requires a Local Evaluation Plan (LEP) to ensure projects funded by the Board of State and Community Corrections (BSCC) can be evaluated to determine their impact and effectiveness. The LEP is a written document that describes how the project will be monitored and evaluated and shows how evaluation results will be used for project improvement and decision making. The LEP should be developed before the project starts by program staff using a collaborative process that involves all relevant project stakeholders. Grantees are encouraged to identify an evaluator who can assist in the collaborative process of developing the LEP and guide the local evaluation throughout the grant cycle. This guideline was developed to assist grantees in creating a LEP that, at a minimum, addresses the information defined below.

Keep in mind the implementation of practices and strategies supported by data are to be considered whenever possible. The BSCC is responsible for verifying that grant money is spent efficiently and on effective projects; collecting data is one mechanism used to determine this. Evaluation results from each project may be used to inform the body of knowledge regarding what works with the target populations. Therefore, it is important to collect appropriate and consistent data. A strong LEP will help pave the way for a strong evaluation. A strong evaluation may be used to provide support for your project and funding.

The BSCC will make public the LEP from each grantee. LEPs may be posted to the BSCC website and/or developed into a statewide summary report to be shared with the Administration, the Legislature, and the public.

All grantees are required to submit a LEP by 5 p.m. on August 30, 2021. LEPs are sent to the Indigent Defense Grant inbox (IndigentDefenseGrant@bscc.ca.gov).

Cover Page

The cover page provides a descriptive report title, and identifies the grantees, authors, contact information, project time period, and funding source.

Project Background

At a minimum, this section should:

- Provide information essential to understanding the project and the need for the project (history in the community, an explanation of activities and/or services, description of similar efforts in the region, description of how the activities and/or services address the need, etc.).
- For project components that involve participants:

Project Logic Model

Provide a visual representation of the project depicting the logical relationships between the project's goal statements, input/resources, activities, outputs, outcomes and impacts of the project.

- Inputs/Resources: "Inputs are various resources available to support the project (e.g., staff, materials, curricula, funding, equipment)."¹ "Include those aspects of the project which are available and dedicated to, or used by, the project/service to operate."²
- Activities: Activities are what the project does with the inputs or the services provided in alignment with project goals. If you have access to inputs/resources, then they can be used to accomplish project activities.
- Outputs: If the activities are accomplished, these are the number of services delivered and/or products provided.
- Outcomes: "Outcomes are the immediate, specific, measurable changes"³ due to the project. If the outputs are achieved, then this is the change we expect to see. Outcomes may be grouped by:
 - Short-Term- Timeframe (grant cycle, months)
 - Medium-Term- Timeframe (grant cycle, months-years)
- Impacts: The ways in which the community, city, and/or county are changed by the achieved outcomes. This includes fundamental intended or unintended changes that occur in organizations, communities, or systems because of project activities beyond the grant cycle. Impacts are societal/economic/civic/environmental focused and may be the same or similar to long-term outcomes (typically occur beyond the grant cycle).⁴

These may include, but are not limited to, data collection instruments, more detailed descriptions of activities and interventions, training materials, educational materials, operational definitions, additional analyses, and presentations.

Indigent Defense Grant Program Local Evaluation Report

The Indigent Defense Grant Program for funding period February 15, 2021 through June 30, 2023 requires a Local Evaluation Report (LER) to identify whether the project was successful in achieving its goals and objectives. This LER must be based on the original Local Evaluation Plan (LEP). Any modifications to the LEP must be explained in the LER. This guideline was developed to assist grantees in writing a LER that, at a minimum, addresses the required information defined below.

The LER will document the activities completed with the support of grant funds and the outcomes achieved. BSCC will use this report to verify the grant money was well spent and describe the impacts of the project. Assuming the projects have successful outcomes, other organizations may want to adopt certain project components/intervention(s) demonstrated to be effective. Therefore, the report should include enough information to allow other organizations to replicate your project strategies.

The BSCC will make public the LER from each grantee. LERs may be posted to the BSCC website and/or developed into a statewide summary report to be shared with the Administration, the Legislature, and the public.

All grantees are required to submit a LER to the BSCC no later than 5 p.m. on December 31, 2023.
