Hello David, Trisha and Supervisors Hoek and Hall:

Welcome to 2021 and Happy New Year!

I am writing with the news that I am winding down my time at Bear Yuba Land Trust, one of the most rewarding experiences of my life. Beginning February 1st, I will be starting a position as Development Director with Johnson County Park and Recreation District, which also serves as Executive Director of their Foundation, acting as a land trust in the fast developing Kansas City metro region.

As I will no longer be a resident of Nevada County, I am formally resigning from my position with the Solid & Hazardous Waste Commission.

While I am excited about this new chapter, it was a very difficult decision to make. I love the BYLT team, Nevada County and this community we serve but I could not pass up the opportunity to return home to where my parents have lived for 25 years, be of service to them, raise my kids close to family, and step into a new professional role that builds upon all that I've learned.

I am so very proud of Nevada County and the collective work we have endeavored to ensure the health, safety and wellbeing of our residents and visitors. Thank you for your continued leadership and trust as partners and friends.

Please let's stay in touch 

Wishing you my very best,
Erika
