Hi Claire,
Supervisor Swarthout has indicated below that she is happy to have Mr. Johnston remain on the Fish and Wildlife Commission as the District 3 representative. Does he need to be reappointed?

Supervisor Swarthout,
Please let me know if you have questions regarding Mr. Johnston or the Fish and Wildlife Commission. The Fish and Wildlife Commission membership is set up so that each Board of Supervisor selects one member to represent their respective district (there is no requirement that the member lives in the district they are representing, but should live in the county).

I will be going on vacation starting tomorrow, but am happy to discuss more when I get back next week. Thank you!

Regards,
