BACKGROUND: Since 2009, the Arts Collaborative of Nevada County, also referred to as the Nevada County Arts Council, has been the county-designated organization for the California Arts Council State-Local Partnership Program. The program provides operating and technical resources to the county designee to foster cultural development on the local level. Support includes funding, information exchange, cooperative activities and leadership assistance. As the local designee, the Nevada County Arts Council assisted the cities of Grass Valley and Nevada City and the Town of Truckee in applying and becoming state designated cultural districts amongst other activities.

The Board of Supervisors last designated the Nevada County Arts Council as its local designee on May 25, 2021 via Resolution 21-178 on an ongoing basis. As such, the Nevada County Arts Council is requesting to provide its annual report to the Board on its activities as the County-designated organization. Executive Director Eliza Tudor will provide an overview presentation to the Board and will be available to answer any question.
