

"Subscriber": Nevada County Counsel**"LN":** LexisNexis, a division of RELX Inc.

This Lexis Create Addendum (the **"Addendum"**) between LN and Subscriber is intended to revise the LN subscription agreement (the **"Agreement"**) previously or simultaneously executed between the parties by adding to the Agreement the terms and conditions listed below. It is expressly understood by Subscriber that Lexis Create cannot be accessed unless the Subscriber has an existing subscription to Lexis®, Lexis+® or Lexis+ AI™. This Addendum therefore serves to supplement and is hereby appended to the Agreement to provide Lexis Create features and content.

LN and Subscriber agree to supplement the Agreement as follows:

1. TECHNICAL REQUIREMENTS

Lexis Create is proprietary software developed by LN to integrate LN content directly within the Microsoft Corporation software applications Microsoft® Word. In order to use Lexis Create, Subscriber must (a) have a paid-up license to the requisite Microsoft® Office software; and (b) meet the technical requirements specified on the Lexis Create download site (<https://appsourcel.microsoft.com/en-gb/product/office/WA200004714>) or the proper operation of the Software (collectively, the "System Requirements").

2. LICENSE

LN grants Subscriber a personal, limited, non-exclusive, non-transferable, right to access and use the Lexis Create. LN retains all right, title, and interest in and to Lexis Create, and any intellectual property embodied therein. All access to and use of LN content via Lexis Create shall be subject to the terms set forth in the Subscription Agreement.

3. INSTALLATION

In order to access Lexis Create, Lexis Create must be installed on Subscriber's system. LN does not perform any installation services and LN's proprietary technology which allows enrichment of Subscriber's content is not installed behind Subscriber's firewall. Subscriber will not receive any transfer of tangible personal property. All installations will be implemented through electronic retrieval by Subscriber of the software that is hosted on the Microsoft AppSource website. Subscriber will download the software at an individual desktop level by individual users or on a network level by an IT administrator. There are no installation charges and no separate integration services agreement.

4. FUNCTIONS

Subscriber acknowledges and agrees that, for certain functions, the Microsoft® Word documents ("Subscriber's Work") that it selects to be analyzed by Lexis Create will momentarily leave its environment and will be sent to LN to be marked/tagged/indexed. LN represents and warrants that all such processing of Subscriber's Work will happen machine-to-machine, without human intervention. LN does not automatically save, or store Subscriber's Work unless an Authorized User utilizes Snippets.

5. SNIPPETS

Lexis Create contains a feature that allows Authorized Users to save Materials made available by LN and user generated content ("Snippets") that are associated solely with their respective LN IDs. Snippets shall be considered Folders, as defined in the LN General Terms and Conditions ("General Terms") and subject to the General Terms.

6. MISCELLANEOUS

Except as expressly revised in this Addendum, all other terms and conditions of the Agreement will remain in full force and effect. If there are any conflicts or inconsistencies between this Addendum and the Agreement, this Addendum will control.

LN's acceptance of this Addendum may be evidence by LN's fulfillment of this Addendum and the Agreement to which this Addendum supplements.
