Purpose

We are pleased to update the Board on the Program Year 2024-2025 activities at the Alliance for Workforce Development (AFWD) Nevada County One-Stops in Grass Valley and Truckee. AFWD is Nevada County's America's Job Center of California (AJCC) provider.

Our mission is to provide businesses and workers a common point of access for employment, recruiting, training, consultation, and other workforce services. AFWD provides federal and state Workforce Innovation & Opportunity Act (WIOA) programs to Adults, Youth, Dislocated Workers, and Veterans. Our WIOA services also provide crucial recruiting, upskilling and workforce investment resources to Nevada County businesses.

Overview

AFWD is one of three service providers for the Northern Rural Training & Employment Consortium (NoRTEC). We provide workforce development programs and services in six of NoRTEC's eleven counties: Butte, Lassen, Modoc, Nevada, Nevada and Sierra.

As an America's Job Center of California (AJCC) One-Stop, we maintain a "business first" philosophy, as embraced by NoRTEC and WIOA legislation. This means we emphasize business outreach and employers are at the forefront of our service delivery model.

The One-Stop model provides businesses and job seekers a single access point; ensuring that employers find the most qualified candidates, and workers obtain sustainable, long term employment. All of our efforts are tied to enhancing workforce development, promoting economic vitality, and fostering a stable and prosperous business community in Nevada County.

We would again like to thank Supervisor Swarthout for her continued dedication to our county and for serving on the NoRTEC Governing Board.

A proud partner of America's Job Center of CaliforniaSM network.

Looking Ahead

As Nevada County's America's Job Center of California, AFWD's mission is to enhance economic vitality by creating a skilled, job-ready workforce, and a stable, prosperous business community throughout Nevada County. We appreciate our partners in the education, public, and private sectors who help make our mission possible.

Although we are seeing more people return to the workplace, Nevada County residents and businesses continue to recover from the after effects of the pandemic and the 2023 Severe Storms recovery. As new challenges arise, we continue to develop solutions to the issues and pivot with adaptable solutions to the real-world challenges in communities we serve. We continue to expand and refine our online capabilities with tools like:

- Virtual Workshops and Webinars
- Effective online recruitment through CalJOBS and NorthstateJobs.com/AFWD
- Social Media engagement with the community on Facebook, LinkedIn, and Instagram
- Live assistance for job seekers and businesses on our website chat feature at afwd.org

We continue to advocate on behalf of Nevada County, in order to provide ongoing OJT Training assistance and human resources support for employers, as well as job search assistance, supportive services, and vocational and classroom upskilling for individuals to strengthen the workforce and local economy in Nevada County communities.

We are excited to announce that we are preparing for a new DOR Collaborative Grant, which will allow us to serve a broader range of individuals with various types of disabilities, as well as provide added benefits to businesses in our communities.

We thank the Board for providing us the opportunity to present today and thank Nevada County for continuing to partner with us in creating pathways to success.
