NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo

MEETING DATE: January 8, 2019
TO: Board of Supervisors
FROM: Jessica Hankins, Public Works Project Manager
SUBJECT: **Resolution Authorizing Environmental Clearance for the 2019 Nevada County Annual Striping Program – All Districts**

RECOMMENDATION: Approve the attached Resolution.

FUNDING: The Striping Program is planned in the Fiscal Years 2018/19 and 2019/20 Road Maintenance budget. If needed, a budget amendment will be brought to the Board if the contract is awarded in fiscal year 2018/2019.

BACKGROUND: The plans, specifications and cost estimate for the 2019 Nevada County Annual Striping Program have been completed. The project consists of approximately 125 miles of centerline stripe and 180 miles of edge stripe on various County-maintained roads. The project is scheduled for work in the Summer of 2019. All work will be performed within the County's existing right-of-way. Attachment A provides a map of the proposed locations.

This Department has reviewed the project for compliance with the California Environmental Quality Act (CEQA) and has identified the project as a Class I project. Class I projects consist of repair or minor alteration of an existing public facility involving negligible or no expansion of use. Therefore, the project is categorically exempt from the provisions of CEQA, per Section 15301 (c) of the California Code of Regulations. A Notice of Exemption has been prepared for the project and, upon approval by the Nevada County Board of Supervisors, will be filed with the Nevada County Clerk's Office.
