RE: Resignation notice

Dear ADFS Commissioners,

I need to submit my letter of resignation as a Commissioner effective July 11<sup>th</sup>, 2017 I will be moving out of Nevada County. Over the years I have enjoyed working with this group to promote the greater community needs in Truckee and for the seniors. Please also accept my resignation as a representative for the Agency on Aging Advisory Council. This position is extremely important, our County needs to "be at the table" for Older American's Act funding.

I will continue to serve as the Executive Director for Sierra Senior Services. If I may offer any additional information in the future please don't hesitate to contact myself or any staff members.

All the best,

Sarah Deardorff, Executive Director  
Sierra Senior Services

Good Afternoon Leila,

I am regretfully submitting my resignation as Commissioner from AFSC as of today. I am starting full time employment with a local company called Autometrix on the 10th and will continue my consulting work with the Nevada County Economic Resource Council (specifically the Connected Communities Academy and Nevada County Tech Connection). Thus my time is going to be stretched pretty thin at this point.

I wish you all luck in the awesome work being done for this community though the commission and hope you have a great summer!

P.S. I have informed Mike Dent, Rob Choate and Vickie Victor as well

Hi Vickie, Mike & Tim,  
I'm sorry, I am unable to attend the July 11<sup>th</sup> AFSC meeting. My last day at Sierra Forever Families is Friday, July 14<sup>th</sup> and "there's lots to do before I go".  
I also need to submit a letter of resignation to the AFSC. I've only been a Commissioner for 5 months but I'm soon to be a County employee. Who should the letter be addressed to?  
Thanks very much, Sylvia
