## **NEVADA COUNTY BOARD OF SUPERVISORS Board Agenda Memo**

---

**MEETING DATE:** January 24, 2023

**TO:** Board of Supervisors

**FROM:** Steve Monaghan, Chief Information Officer

**SUBJECT:** Resolution authorizing the Information and General Services (IGS) Agency Director (Director), or designee, to execute the attached internet service provider (ISP) nondisclosure agreement (NDA) and other future NDAs in substantially similar form and substance, and authorizing the Director, or designee, to destroy pursuant to Government Code section 26205.1, all records exchanged with ISPs under such NDAs

**RECOMMENDATION:** Adopt the Resolution

**FUNDING:** There is no funding commitment at this time.

**BACKGROUND:**

The equitable expansion of Broadband has been a long-standing Board of Supervisors Objective and as such the Nevada County Information and General Services (IGS) Agency has been very active in its efforts to expand and improve broadband service throughout the County.

In furtherance of these efforts, the IGS Agency requests authorization for the IGS Agency Director, or designee to execute the attached NDA (Attachment 1) with internet service providers (ISP) in relation to broadband expansion and broadband service efforts. Authorization is also requested for the Agency Director, or designee, to authorize the destruction of records received under these NDAs, pursuant to Government Code section 26205.1

With an NDA in place, ISPs may provide detailed network and service data that could allow County staff to better support and coordinate expansion and service improvement efforts.

**Item Initiated and Approved by:** Steve Monaghan
