Hello, fellow SMAC members.

I am still glowing as you might be from the successful approval of the Higgins Area Plan after all of our dedicated efforts.

I had hoped to continue as a SMAC member for the extended two year term, however with an unexpected turn of events I find it necessary to step away from my continued participation with SMAC.

It goes without saying I have enjoyed meeting, working and collaborating with each of you. I will hopefully see you at the next meeting.

Thank you fellow SMAC members for your time and efforts in getting a tough job done.

Best,  
Gloria
