INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

To the Honorable Members of the Board of Supervisors and Grand Jury County of Nevada Nevada City, California

#### Report on Compliance for Each Major Federal Program

We have audited the County of Nevada's (County) compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended June 30, 2016. The County's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

#### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements*, *Cost Principles*, *and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the County's compliance.

#### **Opinion on Each Major Federal Program**

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

To the Honorable Members of the Board of Supervisors and Grand Jury County of Nevada

#### **Report on Internal Control Over Compliance**

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weakness may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

The financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County as of and for the year ended June 30, 2016, were audited by Gallina LLP, whose practice became part of CliftonLarsonAllen LLP as of January 1, 2017, and whose report dated December 28, 2016, expressed an unmodified opinion on those statements. Their audit was conducted for the purpose of forming opinions on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditure of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

To the Honorable Members of the Board of Supervisors and Grand Jury County of Nevada

#### **Other Matters**

#### Supplementary Schedules

The Supplementary Schedule of the California Emergency Management Agency Grants Expenditures and Supplemental Statement of Revenue and Expenditures CSD Contracts have not been subjected to auditing procedures applied in the audit of the basic financial statements, and accordingly, we express no opinion on it.

Roseville, California January 26, 2017 except for the Schedule of Expenditures of Federal Awards, which is dated December 28, 2016

Notes to Schedule of Expenditures of Federal Awards For the Year Ended June 30, 2016

#### NOTE 1: REPORTING ENTITY

The accompanying Schedule of Expenditures of Federal Awards presents the activity of all federal awards programs of the County of Nevada. The County of Nevada's reporting entity is defined in Note 1 to the County's basic financial statements. All federal awards received directly from federal agencies as well as federal awards passed through other government agencies are included in the schedule.

#### NOTE 2: BASIS OF ACCOUNTING

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the County and is presented based on accounting principles generally accepted in the United States of America. For program expenditures accounted for in governmental funds, the modified accrual basis of accounting is used and for program expenditures accounted for in proprietary funds, the accrual basis of accounting is used. Such expenditures are recognized following the cost principles contained in the Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), wherein certain types of expenditures are not allowable or are limited as to reimbursement.

#### NOTE 3: RELATIONSHIP TO FINANCIAL STATEMENTS

The amounts reported in the accompanying Schedule of Expenditures of Federal Awards agree, in all material respects, to amounts reported within the County's financial statements. Federal award revenues are reported principally in the County's financial statements as intergovernmental revenues in the General and Special Revenue funds and grant revenue in the Enterprise funds.

#### NOTE 4: PASS-THROUGH ENTITIES' IDENTIFYING NUMBER

When federal awards were received from a pass-through entity, the Schedule of Expenditures of Federal Awards shows, if available, the identifying number assigned by the pass-through entity. When no identifying number is shown, the County either determined that no identifying number is assigned for the program or was simply unable to obtain an identifying number from the pass-through entity.

#### NOTE 5: INDIRECT COST RATE

The County did not elect to use the 10% de minimis indirect cost rate as covered in 2 CFR §200.414. Uniform Guidance, §200.510(6), requires the County to disclose whether or not it elected to use the 10 percent de minimis cost rate that §200.414(f) allows for nonfederal entities that have never received a negotiated indirect cost rate.

#### **COUNTY OF NEVADA**

Schedule of Findings and Questioned Costs For the Year Ended June 30, 2016

Reference Number 2016-001

#### Schedule of Expenditures of Federal Awards

#### Criteria

The auditee's responsibility per the Uniform Guidance, section 200.508 part b, is to "prepare appropriate financial statements, including the schedule of expenditures of Federal awards."

#### Condition

Our audit procedures identified an omitted federal program expenditure from the County prepared SEFA.

#### Cause

The County's internal controls are inadequate to ensure all federal program expenditures are identified and reported. The SEFA preparer relies on information from multiple departments which may or may not be complete.

#### Effect of Condition

The County's SEFA was understated by more than \$800,000. Due to this error, we were required to perform additional procedures and audit this program to complete the federal audit. The omission of the expenditure on the SEFA affected total required audit coverage and had the program not been audited, the County would not be in compliance with the Single Audit Act.

#### Recommendation

We recommend that the County establish procedures to test for the completeness of the SEFA to ensure that all federal program expenditures are included on future SEFAs.

#### Corrective Action Plan

We will develop a refined process for reconciliations and train departments on how the data needs to be gathered and reported to improve the accuracy of Federal expenditure reporting. Further, additional analysis comparing current year to historical amounts will be employed to highlight and identify variances and their sources.

Test work performed during the audit did not indicate deficiencies in this area. Recommendation implemented.
