## **NEVADA COUNTY BOARD OF SUPERVISORS**

### **Board Agenda Memo**

---

**MEETING DATE:** May 23, 2017

**TO:** Board of Supervisors

**FROM:** **Steve Monaghan, Chief Information Officer**

**SUBJECT:** Resolution rejecting initial bids, approving revised construction documents and authorizing the Purchasing Agent to re-solicit bids for Phase II of a new Perimeter Fence and Gate System at the Nevada County Airport

**RECOMMENDATION:** Adopt the Resolution

**FUNDING:** The total cost of Phase II (final phase) of the airport perimeter fence and gate system construction is estimated at \$1,328,949. The FAA is expected to provide its grant offer to the County once the construction bids are opened. The FAA is expected to fund 90% of the cost or a total of \$1,196,054, and CALTRANS Division of Aeronautics is expected to fund 4.5% of the cost or \$59,803. The remaining 5.5% of the cost, or \$73,092, will be funded by the Airport Enterprise Fund. There is no impact on the General Fund.

**BACKGROUND:**

The initial bid documents included license requirements and wording which the bidders did not meet. Consultation with the California State Licensing Board resulted in a change to the licensing requirements and wording as reflected in revised documents. This Resolution will reject the initial bids, approve the revised construction documents and authorize the Purchasing Agent to re-solicit bids for Phase II of a new Perimeter Fence and Gate System at the Nevada County Airport.
