Thoughtful and strategic program manager with 11 years of experience developing and leading initiatives dedicated to sustainability, community health and equity

Program Management and Administrative Leadership Experience

BriarPatch Food Co-op Sustainability Coordinator

*Grass Valley, CA
Aug. 2019 – Present*

Program Oversight and Stakeholder Collaboration

- Oversee organization, monitoring and maintenance of co-op sustainability initiatives, including development, implementation, tracking, analysis and reporting of key sustainability programming such as waste diversion, water conservation, renewable energy and energy efficiency, as well as diversity, equity and inclusion initiatives and metrics
- Build and nurture strategic internal and external partnerships to ensure success of initiatives, including collaborative projects with County officials and local contractors as well as the design and delivery of effective staff training, communications and community outreach campaigns

Administrative Leadership

- Ensure effective administration and expansion of initiatives through compliance with mandatory state regulations, ongoing research and process improvement, and pursuit of grant funding opportunities

Sierra Harvest Procurement Specialist

*Nevada City, CA
July 2017 – April 2020*

Program Oversight and Community Engagement

- Developed, implemented and evaluated strategies to increase supply of fresh, locally grown produce offered in meals at Nevada County schools and other institutions in partnership with food service providers and farmers, successfully increasing number of participating institutions from one to eight — including three school districts, a hospital, correctional facility, food bank and senior care facilities — within two years
- Designed and executed educational and networking events and tastings, as well as developing and disseminating marketing and educational materials for programs and events

Administrative Leadership and Fund Development

- Developed agency procurement policy, including guiding values, priorities and procedures
- Oversaw management of procurement program budget, including personnel, contracted services, equipment, events and marketing
- Co-authored application of \$300,000 Specialty Crop Block Grant from the California Department of Food and Agriculture as well as managing fulfillment of accurate and on-time reporting requirements for USDA Farm to School and School Nutrition Grants

Gateway Mountain Center Educator and Guide

*Truckee, CA
April 2015 - July 2019*

Program Implementation, Evaluation and Community Engagement

- Delivered programming that fostered connections with nature and community and promoted well-being and confidence for youth of diverse backgrounds, including instruction focused on stewardship, experiential ecology, ethnography and outdoor recreational skills
- Facilitated post-activity debrief sessions designed to increase group cohesion and support individual processing of new and challenging experiences

**Various Resorts and Wellness Centers
Massage Therapist and Ski Instructor**

*Lake Tahoe and New Zealand
Seasonal 2012 - 2022*

- Provided high-quality massage therapy services and facilitated ski instruction tailored to client needs and skill levels in both in-house and contract capacities at Lake Tahoe resorts and wellness centers including Tahoe Center for Health and Sports Performance, Sugar Bowl Ski Resort, Old Greenwood at Tahoe Mountain Club, Palisades Tahoe and Tahoe Yoga & Wellness, as well as Treble Cone Ski Resort in Wanaka, New Zealand

**White Earth Land Recovery Project
Program Coordinator**

*White Earth Reservation, MN
Feb. 2011 – Oct. 2011*

Program Implementation and Community Engagement

- Partnered with Ojibwe leader Winona LaDuke to coordinate and facilitate programs supporting indigenous sovereignty through access to fresh, healthy food, including farm-to-school initiative serving schools; extensive indigenous seed library; and management of multiple farm sites

Fund Development and Administrative Leadership

- Co-authored applications resulting in more than \$100,000 of awarded grant funding, including Healthy Foods Healthy Lives Institute grant from the University of Minnesota, as well as managing fulfillment of accurate and on-time reporting requirements for more than \$500,000 in grant funding from the USDA Sustainable Agriculture Research and Education program and Kellogg Foundation
