2. Agreement Execution

Unless otherwise prohibited by state law, regulation, or Department or Recipient policy, the parties agree that an electronic copy of a signed Agreement, or an electronically signed Agreement, has the same force and legal effect as an Agreement executed with an original ink signature. The term "electronic copy of a signed Agreement" refers to a transmission by facsimile, electronic mail, or other electronic means of a copy of an original signed Agreement in a portable document format. The term "electronically signed Agreement" means an Agreement that is executed by applying an electronic signature using technology approved by all parties.

8. Mutual Liability

Parties shall, to the extent allowed by law, each be individually liable for any and all claims, losses, causes of action, judgments, damages, and expenses to the extent directly caused by their officers, agents, or employees.

9. Unenforceable Provision

In the event that any provision of this Agreement is unenforceable or held to be unenforceable, the parties agree that all other provisions of this Agreement shall remain operative and binding.

10. Contractors/Consultants

The Recipient, and the agents and employees of Recipient, in the performance of this Agreement, are not officers, employees, or agents of the CDFA. The Recipient's obligation to pay its Contractors/Consultants is an independent obligation from the CDFA's obligation to make payments to the Recipient. The Recipient is responsible to ensure that any/all contractors/consultants it engages to carry out activities under this Agreement shall have the proper licenses/certificates required in their respective disciplines. The Contractors/Consultants shall not affect the Recipient's overall responsibility for the management of the project, and the Recipient shall reserve sufficient rights and control to enable it to fulfill its responsibilities under this Agreement.

11. Non-Discrimination Clause

The Recipient agrees that during the performance of this Agreement, it will not discriminate, harass, or allow harassment or discrimination against any employee or applicant for employment based on race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. The Recipient agrees to require the same of all contractors and consultants retained to carry out the activities under this Agreement.

The applicable regulations of the Fair Employment and Housing Council implementing Government Code section 12990 (a-f), set forth in Division 4.1 of Title 2 of the California Code of Regulations, are incorporated into this Agreement by reference and made a part hereof as if set forth in full. The Recipient will give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining unit or other Agreement. The Recipient must include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this Agreement.

The Recipient agrees to require the same of all contractors and consultants retained to carry out activities under this Agreement.

12. Excise Tax

The State of California is exempt from federal excise taxes and no payment will be made for any taxes levied on employees' wages. The CDFA will pay for any applicable State of California or local sales or use taxes on the services rendered or equipment or parts supplied pursuant to this Agreement. California may pay any applicable sales and use tax imposed by another State.

13. Disputes

The Recipient must continue with the responsibilities under this Agreement during any dispute. In the event of a dispute, the Recipient must file a "Notice of Dispute" with the CDFA Agreement Manager, identified in Exhibit A, or designee within ten (10) calendar days of discovery of the problem. The Notice of Dispute must contain the Agreement number. Within ten (10) calendar days of receipt of the Notice of Dispute, the CDFA Agreement Manager or designee must meet with the Recipient for the purpose of resolving the dispute. In the event of a dispute, the language contained within this Agreement prevails.

14. Termination for Convenience

This Agreement may be terminated by either party upon written notice. Notice of termination must be delivered to the other party at least thirty (30) calendar days prior to the intended date of termination. Notice of termination does not nullify obligations already incurred prior to the date of termination. In the event of Termination for Convenience of this Agreement by CDFA, CDFA must pay all responsible costs and non-cancellable obligations incurred by the Recipient as of the date of termination.

15. Termination for Cause

Either party may terminate this Agreement for cause in the event of a material breach of this Agreement, provided that the non-breaching party provides written notice of the material breach. If the breach is not cured to the satisfaction of the non-breaching party, this Agreement shall automatically terminate and the CDFA shall reimburse the Recipient for all documented costs incurred up to the date of the notice of termination, including all non-cancellable obligations. Timelines associated with notice and curing of material breaches shall be consistent with the timelines outlined in paragraph 17.

16. Acceptable Failure to Perform

The Recipient shall not be liable for any failure to perform as required by this Agreement, to the extent such failure to perform is caused by any of the following: labor disturbances or disputes of any kind, accidents, the inability to obtain any required government approval to proceed, civil disorders, acts of aggression, acts of God, energy or other conservation measures, failure of utilities, mechanical breakdowns, materials shortages, disease, pandemics, or similar occurrences.

17. Breach

The parties may be in material breach under this Agreement if they fail to comply with any term of this Agreement, or a party determines that the other party is not implementing the Project in accordance with the provisions of this Agreement, or that a party has failed in any other respect to comply with the provisions of this Agreement. In the event of a material breach, the party identifying the breach shall provide a Notice of Material Breach to the breaching party within fifteen (15) calendar days upon discovery of breach. The breaching party shall have fifteen (15) calendar days from receipt of the notice to notify how it intends to cure the breach. Upon receipt of the proposed cure, the non-breaching party has fifteen (15) days to accept or reject the proposed cure. Upon the non-breaching party's approval of the cure, the breaching party has thirty (30) days to implement the cure. If the breaching party fails to cure the breach within thirty (30) days of the non-breaching party's approval of the cure, the non-breaching party may take the following respective actions:

- A. CDFA may suspend payments;
- B. CDFA may demand repayment of all funding;
- C. Either party may terminate the Agreement
- D. CDFA may debar Recipient; or
- E. Either party may take any other action deemed necessary to recover costs.

The non-breaching party shall send a Notice of Failure to Cure Material Breach upon its decision to carry out any of these actions. These actions are effective upon issuance of the Notice of Failure to Cure Material Breach, unless the Recipient appeals a Notice of Failure to Cure Material Breach, in which case the effective date falls on the issuance of a final decision on the appeal.

Where CDFA notifies the Recipient of its decision to demand repayment pursuant to this paragraph, the funds that are subject to the demand shall be repaid immediately. CDFA may consider the Recipient's refusal to repay the requested disbursed amount a material breach.

A Notification of Failure to Cure Material Breach may be appealed to CDFA. The appeal must be post marked within ten (10) calendar days of the date the Recipient received the Notice of Failure to Cure

and addressed to the CDFA Legal Office of Hearing and Appeals or emailed to CDFA.LegalOffice@cdfa.ca.gov.

California Department of Food and Agriculture

Sacramento, CA 95814

All notices, communications, and appeals described in this paragraph must be received in writing to be considered timely.

If CDFA notifies the Recipient of its decision to withhold the entire funding amount from the Recipient pursuant to this paragraph, this Agreement shall terminate upon receipt of such notice by the Recipient and CDFA shall no longer be required to provide funds under this Agreement and the Agreement shall no longer be binding on either party.

18. Publicity and Acknowledgement

The Recipient agrees that it will acknowledge CDFA's support whenever projects funded, in whole or in part, by this Agreement are publicized in any news media, brochures, publications, audiovisuals, presentations or other types of promotional material and in accordance with the Grant Procedures Manual if incorporated by reference and attachment to the Agreement. The Recipients may not use the CDFA logo.

19. News Releases/Public Conferences

Any changes to the Scope of Work and Budget are subject to CDFA approval and, at its discretion, CDFA may choose to accept or deny any changes. CDFA will respond in writing within ten (10) business days as to whether the proposed changes are accepted.

21. Reporting Requirements

The Recipient agrees to comply with all reporting requirements specified in Scope of Work and/or Grant Procedures Manual if incorporated by reference to this Agreement as an attachment.

2025 WMAGP PROJECT

I. Project Plan

Weed Species to be Controlled

Weeds species to be controlled will be weeds defined within the California Code of Regulations 4500 list, CDFA A and Q-rated weeds, as well as regionally important B-rated weeds.

Locations of weed removal activities will include Nevada and Placer Counties, excluding the Lake Tahoe Basin in Placer County.

WMA Location: A map showing the location and boundaries of the WMA along with the accompanying GIS shapefiles detailing this boundary should be provided. (Attach separately, map is not included in the 2-page total allowed for this section).

Methodology:

Sites will be mapped and tracked in the field by County Department of Agriculture Staff utilizing Calflora's ObserverPro app on mobile devices. CDFA's weed monitoring protocol will be followed, measuring the cover of weeds or counting individual plants when feasible. Each historical and newly discovered site will automatically have a log created in Calflora to track the historical level of infestation. Additional data will also be collected and will include, date, location, site ownership, net/gross acres infested, number of plants, treatment method, and type of herbicide applied (if applicable). This log will be updated during or after every site visit to reflect the level of eradication that has been achieved. County Department of Agriculture Staff will survey all previously known infestation sites within the project area. Surveys will continue to be done outside the known infestation sites to determine the possible spread of the targeted invasive

Weed Removal/Control Techniques(s):

The project will utilize an Integrated Pest Management (IPM) approach with a focus on long-term prevention, correct pest identification, and the use of combined management approaches such as mechanical and physical controls (i.e. weed wrenches, shovels, and loppers) Pesticides will only be used when needed and will be selected and applied in a way that will minimize the possible harm to people and the environment. Pesticides will only be used by properly trained staff and applied in accordance with specific local conditions and those uses allowed by the label.

The list of herbicides that is expected be used include: Telar XP, Milestone VM, Capstone, Transline, Garlon 4a, RoundUp Pro, and an appropriate surfactant and dye.

Potential challenges include late unfavorable weather conditions which may delay

Mapping Guidelines

Applicants who are not sending their mapping data directly to PDAS should utilize Calflora per the directions below. If not using Calflora, applicants should still adhere to the data field guidelines when submitting data directly to PDAS.

Calflora

- Calflora is user friendly and free to make an account
- Add photos
- Collect data on a mobile device and edit data at the office
- Field staff make individual observations which can be edited by a group's "data Czar"
- Stacked history for repeat visits to known populations
- Can obscure observations to maintain public confidentiality.
- Batch editing
- Easy to share with CDFA
- CDFA will upload all observations on your behalf, if you don't use Calflora. As such, you will not have direct control over your observations that CDFA uploads.

How to submit your data

If using Calflora:

1. Invite PDAS (PDAS@CDFA.CA.gov) to the group where data is being managed.
2. Email PDAS that your data for the quarter is ready. Include dates from the first observation to the last observation.
3. Send a Calflora link that contains the observations you would like to share with PDAS. Example of 2019 PDAS observations:
<https://www.calflora.org/entry/myobserv.html#srch=t&before=2020&after=2019-01-01&cols=b&mx=1000&inat=f>
4. PDAS will download your records and upload to the CDFA internal database.
5. If space in your group is limited, feel free to remove PDAS from your group after PDAS has confirmed they downloaded your data.

If not using Calflora:

1. Email PDAS (PDAS@CDFA.CA.gov) with whatever format your data was stored in.
2. PDAS will upload your data to the internal CDFA database.
3. PDAS will upload your records to Calflora on your behalf. Sensitive records can be obscured or kept private, depending on the “access” field.
