**NEVADA COUNTY BOARD OF SUPERVISORS**  
**Board Agenda Memo**

---

**MEETING DATE:** July 12, 2022

**TO:** Board of Supervisors

**FROM:** **Trisha Tillotson, Acting Director of Public Works**

**SUBJECT:** Resolution Accepting the Department of Resource Recycling and Recovery (CalRecycle) City/County Payment Program Grant Funding for \$16,850

---

**RECOMMENDATION:** Adopt the Resolution

**FUNDING:** This resolution is for acceptance of a CalRecycle Grant for \$16,850.00. The grant is State funded and supports beverage container recycling programs. The funds will affect the Solid Waste Contract Administration Fiscal Year 2022/23 budget. A budget amendment is not needed and there is no impact to the County General Fund.

**BACKGROUND:** Under the California Beverage Container Recycling and Litter Reduction Act, Nevada County is eligible to receive funding annually to support beverage container recycling efforts. Resolution 17-119 authorized the Department of Public Works to apply for the funds on behalf of the County. Consumers pay at the store, a deposit per container, but if those deposits are not redeemed, the unclaimed funds are available from the State for grants and other programs. Funds from the program are distributed via the City/County Payment Program on a per capita basis. The request for 2021/22 Beverage Container Recycling Grant funding was made in January 2022, in the amount of \$16,850 and the funds are now available. This funding will be used to fund projects that will enhance Beverage Container Recycling within the County.
