Any unresolved dispute or controversy arising under or in connection with this Agreement, or the breach thereof, or the commercial or economic relationship of the Parties hereto shall be settled by arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association, and judgment upon the award will be rendered by the arbitrator, and may be entered in any court having jurisdiction thereof. The arbitration will be governed by the U.S. Arbitration Act 9 U.S.C. 33 1-16, to the exclusion of any provisions of state law inconsistent therewith or which would produce a different result. The arbitration is to take place in Solano County and by a single arbitrator knowledgeable in health care administration. This provision shall survive the termination of this Agreement.
- C. **Non-Discrimination**. Provider and its subcontractors shall not unlawfully discriminate or harass against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition (cancer), age (over 40) marital status, and use of family care leave and any other characteristics covered under State and federal law. Provider agrees to comply with all applicable State and Federal laws and regulations during the term of this Agreement.
- E. **Audit**. Partnership reserves the right to audit data submissions prior to payment. Upon request, Provider agrees to provide copies of the supporting documentation based on the obligations of this Agreement.

F. **Liability.** Provider indemnifies and holds harmless Partnership and its commissioners, officers, employees and agents from and against all allegations, claims and liabilities that result from any act or omission by Provider related to the services funded under this Agreement.

G. **Arbitration.** If the Parties are unable to informally resolve any dispute arising out of or relating to this Agreement, either Party may submit the dispute for resolution exclusively through confidential, binding arbitration, instead of through trial by court or jury, in Sacramento, California, in accordance with the expedited commercial dispute rules and procedures then in effect of the Judicial Arbitration and Mediation Services (“JAMS”); provided, however, that this Agreement shall control in instances where it conflicts with JAMS’s rules and procedures. The arbitration shall be conducted on an expedited basis by a single arbitrator. In making decisions about discovery and case management, it is the Parties’ express agreement and intent that the arbitrator at all times promote efficiency without denying either Party the ability to present relevant evidence. The Parties shall share the costs of arbitration equally, and each Party shall bear its own attorneys’ fees and costs. With the exception of any dispute that under applicable laws may not be settled through arbitration, arbitration under this Section 7.G is the exclusive method to resolve a dispute between the Parties arising out of or relating to this Agreement that is not resolved through the informal meet-and-confer process.

H. **Counterparts.** This Agreement may be executed by electronic signatures, each of which shall be deemed an original, but all of which, together, shall authorize one Agreement.

IN WITNESS WHEREOF, the Parties have, by their duly authorized representatives, executed this Agreement, to be effective the date written above:
