## Interests & Experiences

**Experience:** A resume, or additional sheets, may be attached containing any information that would be helpful to the Board in evaluating your application.

## Education/Employment Experience

---

I am currently in high school as a senior. Within my time, I have been in various AP/honors courses and have gained certifications: CPR and culinary license. As for job experience, I currently have none.

## Community Experience and Affiliations

---

I periodically volunteer at Sami's Friends. I mainly volunteer through my high school's Rotary Club, Interact, and National Honors Society and occasionally find volunteer opportunities through my Executive Council class. I was a youth leader at my church for two years as a first-/second-year student in high school. I would also do events with a previous club I was affiliated with, the Humanities Club. I begin my internship at the Sierra Nevada Memorial Hospital in the coming weeks. Now and then, I would do a trivia night with my STEM club, which we are currently organizing for now. As for athletics, my soccer team and I would do fundraisers outside SPD or talk with community members to support our team.

## List any other County boards, commissions, or committees on which you have served:

---

I have not been a part of committees or commissions in the county, but at school, I have been a part of committees for Student Government. I have participated in the Suicide Prevention Committee, sticker Committee, dance, rally, and Walk-a-Thon committees.

## Other experience you feel would be helpful to the Board of Supervisors in making this appointment:

---

With Executive Council at my school, I would work through issues and help develop activities for our students. This experience would do well with the Nevada County Youth Commission. On Friday, 10/13, this was our last home football game. I worked as a cashier for the concessions stand, giving me customer service involvement. Much of my skill has come from Executive Council, allowing me to enhance my communication, organizational, and participatory skills, which are crucial to the commission.

## References: Please list two references with telephone numbers

## Agreement

---

Applicants may be required by State Law and County Ordinance to file a financial disclosure statement as part of the appointment process. The form may be viewed at <http://www.fppc.ca.gov>. An Oath of Office will be required upon appointment. I have reviewed the Financial Disclosure Statement requirement.

Updated: 10/14/2023

Education:

I am currently going to Nevada Union High School. I am a senior graduating in June 2024.

During my time at school, I have taken various AP—honors classes to prepare me for the rigor of a Service Academy. I have maintained a 4.0 GPA unweighted despite various obstacles: COVID-19 in my freshman year, my English teacher's passing, and my math teacher's termination.

Extracurricular(s):

I participate in my school's soccer team as a goalkeeper. I have been a part of the team for four years now. I periodically volunteer at Sami's Friends. For leadership, I am a Sergeant at Arms for my Executive Council class, Interact Club President, National Honors Society Vice President, and Aviation Club Vice President. I am a club member of the California Scholarship Federation and STEM Club and a former member of the Humanities Club. I was a youth leader for my church every Sunday for two years. I was also a Breaking Down the Walls Student leader and am currently a Link Crew Leader. I was a soccer captain in my sophomore year and possibly again in my senior year. I am a varsity letterman, have won the Foothill Valley Athletic Scholar Award,

and the California ELC program recognizes me. For volunteering, I have countless hours of volunteer work through school clubs and opportunities presented to me in my advanced leadership class. One specific event was when I dressed up as White Water Willy for the Duck Race last year. Another was when I was part of Santa's Elves for the Presbyterian Church, where I would help financially struggling kids pick gifts for their friends and family. I am also beginning my internship at the Sierra Nevada Memorial Hospital within the coming weeks.

#### Skills:

I am well-organized, excellent at communication, punctual, thorough in everything I do, firm in leadership, able to identify failure and correct it, comfortable with admitting when I'm wrong, I take initiative, well-coordinated, and I am attentive to detail. Outside of an office setting, I am good with Logic Pro X(music-making app), drums, bass, piano, aviation(simulator work), CPR, cooking, athletics, and making friends. I consider myself an influential person(in a good way) and book-smart.

#### Summary:

I have contributed all my time in high school to my education/athletics and to benefit those around me through community service. My objective is to serve my country just as I serve my community. My interests lie within the Air Force Academy to become commissioned as a pilot. In doing so, I have maintained a spectacular GPA, been involved in athletics long enough to know how to win/lose as a team, and changed the lives of others in my community through service. As club president for Interact, I always remind my members of the importance of

*Service Above Self.* With my accomplishments and record, I have demonstrated my determination and dedication to get things done while maintaining respect with my peers. All in all, I take every opportunity and make it a good one. I do enjoy getting involved and meeting new people. Finally, I prefer working with people because it allows me to receive input and share ideas when accomplishing a task. The transfer of views and opinions is crucial to executing any given expectation.
