THE HONORABLE BOARD
OF SUPERVISORS
COUNTY OF NEVADA
NEVADA CITY, CA 95959

DATE OF MEETING: June 16, 2015

SUBJECT: Approval of Contract Amendment No. 1 for Professional Land Surveying Services for Various Capital Improvement Projects and Road Maintenance Activities with Andregg Geomatics

RECOMMENDATION: Approve the attached Resolution.

FUNDING: Funding is provided in the Fiscal Year 2015/16 Capital Improvement, Engineering, and Road Maintenance budgets. No budget amendment is needed and there is no impact on the General Fund.

BACKGROUND:

On July 22, 2014 the Nevada County Board of Supervisors adopted Resolution 14-359, which awarded the subject contract to Andregg Geomatics for professional land surveying services for various capital improvement projects and road maintenance activities. These services are on an "as needed" basis for the design, right-of-way acquisition and construction control on capital projects and on-going maintenance activities. The resolution awarded a one year contract that may be amended annually for a total maximum contract period of five (5) years.

Since Andregg Geomatics has met our expectations in delivery of the surveying services under the current contract, the Department of Public Works wishes to extend the existing contract expiration date for one (1) year from July 1, 2015 to June 30, 2016. The functions of the County Surveyor are not included in these services. Additionally, the contractor has requested to change Exhibit "B" (rate sheet) of the contract, and these new rates will go into effect on July 1, 2015.

Please contact me if additional information is required.

Respectfully submitted,
