Hello,

This is Carl Sigmond, the Disability Community Advocate at FREED. We wish to submit a public comment about the Nevada County Permeant Local Housing Allocation Plan.

As far as we can see, there is no mention or provision for accessible housing in the Plan. We would like to remind the Board of Supervisors of the grave need for increased accessible affordable housing in Nevada County. This is a major issue facing our community right now. You have the opportunity right now to really make a difference in people's lives by requiring that a percentage of the housing built with these funds be accessible. What provisions can be put in the Plan to increase the accessible affordable housing stock in our County?

Thank you.
