BACKGROUND:

The Nevada County Probation Department uses evidence-based practices to supervise, improve services, reduce recidivism, and allocates monies for the purposes of providing cognitive behavioral programming and re-entry services to Probation clients in fiscal year 2024-2025.

The contract with Sacramento County Office of Education (SCOE) for fiscal year 2024-2025, provides cognitive behavioral therapy (CBT) that is designed to change dysfunctional thinking patterns exhibited by individuals (e.g. antisocial behavior, displacement of blame, relational dominance, etc.). Programs are usually offered in small settings, incorporate lessons, role-playing exercises, modeling, demonstrations, and sometimes individual counseling sessions. Ultimately, the goal of CBT is to change thinking processes to prevent the future participation of criminal activities and improve public safety. This contract also provides (SCOE) to allow participation in the Placer Re-entry Program (PREP). PREP provides a variety of other interventions and service for the community corrections population.

This contract supports the mission of Nevada County Probation in providing support for probationers' achievement of successful reintegration back into their families and communities.

Jeff Goldman
