New eComment for Nevada County Board of Supervisors September 13, 2022, Meeting

Jo Ann Fites-Kaufman submitted a new eComment.

Meeting: Nevada County Board of Supervisors September 13, 2022, Meeting

Item: 36. SR 22-1034 Resolution authorizing the Chair of the Board of Supervisors to sign the Invitation to Bid documents for the Hazard Tree Removal Project, County Project No. 715002, and the Purchasing Agent to solicit bids for the Project. (All Dists.)

eComment: I support this resolution but feel that the amount is inadequate to address the magnitude of the current and growing life threat situation posed by dead trees along the road. The budget would be 1 million \$, an emergency should be declared and this made a priority by county public works, with other roadside crews and work re-directed ASAP. emergency would get state and federal assistance. should demand CALTRANS clear on highways now. help private landowners through the FSC. Do MORE IMMEDIATELY!
