From: NCCFD Board of Directors & PVFPD Board of Directors
Subject: Temporary Gap Funding to Operate Fire Station #59 During Reorganization Efforts
Date: July 5, 2023

Chairman Scofield,

Nevada County Consolidated Fire District (NCCFD) and Penn Valley Fire Protection District (PVFPD) officially request funding to maintain operational effectiveness for Rough and Ready Fire Station 59. Rough & Ready Fire Protection District (RRFPD) has experienced a significant decline in revenues required to maintain minimum staffing of two firefighters on duty each day over the last several years. Despite all efforts, the Rough & Ready Fire Board of Directors' only option was to lay off all remaining employees and file for dissolution with the Nevada County LAFCo.

To avert a catastrophic gap in coverage, PVFPD and NCCFD have partnered to develop a short-term plan that would maintain critical staffing levels needed for the RRFPD community. When presented to the Nevada County LAFCo during their June 2023 commission meeting the plan received clear support. Cooperatively our two fire districts, along with county staff, have determined a distinct path forward. This plan makes certain that Station 59 is staffed with two firefighters twenty-four hours a day for response.

We request that the County of Nevada provide the necessary gap funding of \$500,000 per year for the next two years. This will allow PVFPD and NCCFD to conduct the necessary phases to reorganize the three organizations into one. We anticipate the merger of our organizations will eliminate costly redundancies while enhancing the overall efficiencies within our local government. The purpose of this gap funding will ensure that the services for the citizens of PVFPD and NCCFD will not be diluted by the fiscal demands of co-staffing the RRFPD fire station. We appreciate your continued support as we navigate through this process.

Thank you for your consideration,

 - b. The County will provide temporary gap funding to support the operations of Rough & Ready Fire Station #59 to serve the residents of the RRFPD and other surrounding districts (e.g. PVFPD and NCCFD), in the amount of \$500,000 per year for two years (Fiscal Years 23-24 and 24-25), not to exceed a combined total of \$1,000,000 to support the long-term goal of the Districts' Reorganization.
 - c. The County funds will serve as a match to RRFPD's annual revenue, estimated at \$490,000 per fiscal year in tax revenues and special assessment fees, which shall be used for the sole purpose of operating Rough & Ready Fire Station #59.
 - d. The County's contribution may be provided from any available source including grant funds (including the SAFER grant that PVFPD applied for), at the County's discretion.
2. The Districts will provide fire protection and other services within RRFPD boundaries:

Accounting records of the Districts shall be open to inspection by the County Auditor-Controller at any time during business hours for the purpose of determining

whether the funds were utilized only for the purpose of fire protection services within RRFPD's boundaries.

- d. The Districts will develop and adopt a budget for the ongoing operation of Rough & Ready Fire Station #59 that does not assume County contributions in Fiscal Year 25-26 or beyond.
3. The Districts will initiate a Reorganization process with LAFCo. The Reorganization process will include the following actions:
 - a. The Districts will enter into an agreement regarding coordination of efforts for preparation of substantially similar resolutions of applications for the Reorganization pursuant to Government Code section 56853, for consideration for approval by each of their Boards of Directors, and if the Resolutions of Application are approved, for preparation, completion, and submission of an application and related documents to LAFCo for the Reorganization no later than February 1, 2024.

The agreement will define the level of service the newly reorganized district ("Reorganized District") will provide, and will address governance, administration, and operations for the Reorganized district.
 - b. The Districts agree to cause to be prepared a comprehensive financial analysis to support the Districts' Reorganization proposal.

Nevada County Board of Supervisors

Dear Chair Scofield,

As Chair of the Nevada County Local Agency Formation Commission, I am pleased to see the Board of Supervisors considering entering into an agreement with the Penn Valley, Rough and Ready and Nevada County Consolidated Fire Districts to support their efforts to reorganize into a single fire and emergency response agency.

As we have all seen this year, the financial state of several of our fire agencies is precarious. The failure of even one agency would have serious and widespread impacts on public safety, given the coordinated response patterns of our emergency response providers.

Nevada LAFCo recognizes and appreciates the work of the Board's Fire Services Ad Hoc Committee (co-chaired by Supervisors Hoek and Swarthout) and County Executive Office staff to coordinate the County's support for a comprehensive effort to ensure lasting financial stability for critical fire and emergency response services.

LAFCo also applauds the dedication and tireless efforts of the officials and staff of each fire district. We realize the path forward is long, but with this coordinated approach and the support of the County, the future of fire and emergency response services in our county looks brighter.

Sincerely,

Josh Susman, Chair
Nevada County LAFCo
